## **Sleeping With The Dictionary:**

**Sleeping with the Dictionary** Harryette Mullen, 2002-02-22 Harryette Mullen's fifth poetry collection *Sleeping with the Dictionary* is the abecedarian offspring of her collaboration with two of the poet's most seductive writing partners *Roget's Thesaurus* and *The American Heritage Dictionary*. In her ménage à trois with these faithful companions the poet is aware that while *Roget* seems obsessed with categories and hierarchies the *American Heritage* whatever its faults was compiled with the assistance of a democratic usage panel that included black poets Langston Hughes and Arna Bontemps as well as feminist author and editor Gloria Steinem. With its arbitrary yet determinant alphabetical arrangement its gleeful pursuit of the ludic pleasure of word games acrostic anagram homophone parody pun as well as its reflections on the politics of language and dialect Mullen's work is serious play. A number of the poems are inspired or influenced by a technique of the international literary avant garde group Oulipo a dictionary game called S 7 or N 7. This method of textual transformation which is used to compose nonsensical travesties reminiscent of Lewis Carroll's *Jabberwocky* also creates a kind of automatic poetic discourse. Mullen's parodies reconceive the African American's relation to the English language and Anglophone writing through textual reproduction recombining the genetic structure of texts from the Shakespearean sonnet and the fairy tale to airline safety instructions and unsolicited mail. The poet admits to being licked all over by the English tongue and the title of this book may remind readers that an intimate partner who also gives language lessons is called euphemistically a pillow dictionary.

**Poetry & the Dictionary** Andrew Blades, Piers Pennington, 2020 This innovative collection of essays is the first volume to explore the many ways in which dictionaries have stimulated the imaginations of modern and contemporary poets from Britain Ireland and America while also considering how poetry has itself been a rich source of material for lexicographers.

**The Cracks Between What We Are and What We Are Supposed to Be** Harryette Mullen, 2012-08-06 *The Cracks Between What We Are and What We Are Supposed to Be* forms an extended consideration not only of Harryette Mullen's own work methods and interests as a poet but also of issues of central importance to African American poetry and language women's voices and the future of poetry. Together these essays and interviews highlight the impulses and influences that drive Mullen's work as a poet and thinker and suggest unique possibilities for the future of poetic language and its role as an instrument of identity and power.
