Paddock,2002 Paddock also includes new sections on American psychological warfare in the Pacific the Army Rangers the 1st Special Service Force and American led guerrillas in the Philippines **BOOK JACKET** Last Resort Beyond Last Resort Walter Herbst,2025-04-29 John F Kennedy was an embattled president He was consistently at odds with the Joint Chiefs the CIA the radical right and Fascist groups in America and Western Europe who considered him too weak to contain the spread of communism After the Cuban Missile Crisis the animosity for the young President grew as JFK cracked down on right wing Cuban exile groups in America by preventing them from running sabotage raids against the Cuban mainland Confusion reigned for at the same time Robert Kennedy was putting together a coalition of left wing Cuban exiles to launch a second invasion of Cuba at the end of 1963 Meanwhile a right wing Cuban exile group operating independently of the Kennedys was looking to assassinate JFK which they believed would be a catalyst to compel the United States to invade Cuba with its

military in retaliation The plan could have worked because of Lee Harvey Oswald He was a Marxist and Castro supporter who had defected to the Soviet Union in 1959 had renounced his citizenship and had revealed military secrets to the Russians He allegedly tried to shoot right wing General Edwin Walker was a member of the pro Castro Fair Play for Cuba Committee and in the summer of 1963 he was arrested in New Orleans for handing out pro Castro literature in public He traveled to Mexico City and tried to reach Havana two months before the JFK assassination He wrote a letter to the Russian Embassy in Washington D C upon his return saying he used an alias while he was in Mexico He was measured as 5 9 tall during his autopsy which was two inches shorter than when he left the Marines four years before All this made him the perfect patsy to be used to justify a second invasion of Cuba So why didn t the United States invade Cuba after the JFK assassination when they had the opportunity to do so once and for all The answer to that question is West Berlin the gateway to Western Europe and a city President Kennedy was determined to protect at all costs even if it meant sacrificing Cuba to the Communists And a second invasion of Cuba placed Berlin in jeopardy so it could not be allowed to happen Another group came together in the spring of 1963 made up of CIA right wing Cold War veterans like Allen Dulles James Angleton Henry Hecksher William Harvey and Tracy Barnes These men had fought the Nazis during World War but came to consider them the lesser of two evils compared to the Soviet Union when the war was over And they were hell bent on keeping communism out of Europe by any means possible For over a decade leading up to JFK s Presidency they had collaborated with ex Nazis European Monarchists and French military Fascists in the war against communism to keep Europe safe So it was not surprising that they all came together once again to assassinate President Kennedy not to justify an invasion of Cuba but to prevent that from occurring They knew that if a second invasion of Cuba were to happen the Soviets would take West Berlin which would almost certainly have led to World War III So as a Last Resort Beyond Last Resort this group inevitably concluded that the only choice they had was to remove JFK from power before it was too late And mixed up in the middle of it all was Lee Harvey Oswald

**The Hidden War** David Fiddimore,2009-03-06 It s 1948 The war is over but there is still tension in Germany The allied forces have been divided by politics and economics Now there is a new enemy is lurking on the horizon Charlie thought he d done his part for the war effort and could enjoy peacetime with a bit of grace Having a job with a commercial airline means he can do what he does best but without getting shot at Or so he thinks When the situation in Berlin between the allies and the Russian forces begins to escalate every company with aircraft and able pilots is pulled back to the action Plane after plane is flown into Germany making essential drops of food and medicine to help the starving populace survive Charlie has a girl in each airport and a scheme in every country But when the people he loves are threatened by the effects of the blockade he must take a desperate

chance to smuggle them out of the country      *Sorties into Hell* Chester G. Hearn, 2003-08-30 In October 1946 Colonel Presley Rixey arrived by destroyer at Chichi Jima to repatriate 22 000 Japanese who had been bypassed during the war in the Pacific While waiting for a Marine battalion to arrive the colonel met daily with a Japanese commission assigned to assist him When asked what had happened to American prisoners on the island the Japanese hatched a story to hide the atrocities that they had committed In truth the downed flyers had been captured executed and eaten by certain senior Japanese officers This is the story of the investigation the cover up and the last hours of those Americans who disappeared into war s wilderness and whose remains were distributed to the cooking galleys of Chichi Jima Rixey s suspicion of a cover up was later substantiated by a group of Americans returning from Japan who had lived on Chichi Jima for generations It would take five months of gathering testimony to uncover all the details Thirty war criminals were eventually tried at Guam in 1947 five of whom met their fate on the gallows      **The Secret Wars, a Guide to Sources in English: Intelligence, propaganda and psychological warfare, resistance movements, and secret operations, 1939-1945** Myron J.
