

The Habsburgs

Dorothy Gies McGuigan

The Habsburgs:

The Habsburgs Benjamin Curtis, 2013-07-18 The Habsburgs rank among the most celebrated ruling dynasties in history. At one point their territories stretched not only across Europe but across the globe into Asia, Africa and the Americas. By virtue of their long pre-eminence, the family made an indelible mark on European affairs, shaping the course of international politics and diplomacy and knitting together the diverse peoples of Central Europe. The story of the Habsburgs is theatrical and compelling, but it is also vital for understanding how kings ruled, nations rose and societies changed as modern Europe came into being. In this book, Benjamin Curtis explores both the Spanish and Austrian branches of the dynasty, providing a concise, comprehensive picture of the dynasty's development. This study clearly demonstrates why the Habsburgs are considered the most consistently accomplished practitioners of European dynasticism.

[A History of the Habsburg Empire: 1273-1700](#) Jean Bérenger, 1994 This is the first part of a two-volume history of the Habsburg Empire from its medieval origins to its dismemberment in the First World War. The second part on the Habsburg Empire from 1700 to 1918 is now in preparation. The present volume, which is self-contained, meets a long-felt need for a systematic survey in English of the Habsburgs and their lands in the late medieval and early modern period. While it is primarily concerned with the lands and peoples of central and northern Europe who had been brought under the personal rule of the Habsburg dynasty by the end of the Middle Ages, most notably the Austrians, Germans, Czechs and Hungarians, the history of the Spanish Habsburgs in Spain and the Netherlands is also covered in sufficient detail to show the reader how the fortunes of the Austrian and Spanish branches of the family were interlinked. The family history of the Habsburgs themselves is skillfully interwoven with the processes of state formation. Much biographical detail of the dominant personalities of the dynasty emerges from the narrative, and though the treatment is primarily political, there are extended discussions of economic developments, social change and major cultural movements. Because the Habsburg Empire was and remained dynastic and diverse rather than national and centralised, it covered a huge range of different peoples, cultures, constitutions and separate histories. Few historians have had the breadth of knowledge or the courage to attempt a single systematic survey of its development and its fortunes. Yet the Habsburgs were the great superpower of Central Europe for five centuries, until our own, and in the period covered by the present volume, much more even than that, as rulers also of Spain and the Netherlands and with the headship of the Holy Roman Empire itself as a de facto family possession. The size of the task is thus itself an indication of the size of the gap that Professor Bérenger's first volume now fills. Clear, balanced, authoritative and accessible, it is a remarkable feat of synthesis and exposition.

[The Habsburgs](#) Paula Sutter Fichtner, 2014-05-15 The death of Archduke Franz Ferdinand in Sarajevo in 1914 not only sparked the beginning of World War I, it also initiated the beginning of the end of the six hundred-year-old Habsburg dynasty, which fell apart when the war ended, changing Europe forever. But how did the Habsburgs come to play such a decisive role in the fate of the continent? Paula Sutter Fichtner seeks to answer this question in this

comprehensive account of the longest lived European empire Tracing the origins of the house of Habsburg to the tenth century Fichtner identifies the principal characters in the story and explores how they were able to hold together such a culturally diverse and multiethnic state for so many centuries She takes account of the intertwining of culture politics and society revealing the strategies that enabled the dynasty s extraordinarily long life its dazzling mix of cultural propaganda public performances and cunning political maneuvering She points out the irony that one of the crowd pleasing performances that had enabled the Habsburg success visiting beds of the injured led to Ferdinand s death and the empire s downfall Breathing fresh life into the history of the Habsburg reign this accessible and authoritative history charts one of the pivotal foundation stories of modern Europe

The Habsburgs: Portrait of a Dynasty Edward Crankshaw,1971 The House of Habsburg pronounced in German pronunciation ha ps bk also Hapsburg and also known as House of Austria is one of the most important royal houses of Europe and is best known for being an origin of all of the formally elected Holy Roman Emperors between 1438 and 1740 as well as rulers of the Austrian Empire and Spanish Empire and several other countries The House takes its name from Habsburg Castle a fortress built around 1020 1030 in present day Switzerland by Count Radbot of Klettgau who chose to name his fortress Habsburg His grandson Otto II was the first to take the fortress name as his own adding von Habsburg to his title Wikipedia

The Habsburgs Martyn Rady,2020-05-12 The definitive history of the dynasty that dominated Europe for centuries In *The Habsburgs* Martyn Rady tells the epic story of a dynasty and the world they built and then lost over nearly a millennium From modest origins the Habsburgs gained control of the Holy Roman Empire in the fifteenth century Then in just a few decades their possessions rapidly expanded to take in a large part of Europe stretching from Hungary to Spain and parts of the New World and the Far East The Habsburgs continued to dominate Central Europe through the First World War Historians often depict the Habsburgs as leaders of a ramshackle empire But Rady reveals their enduring power driven by the belief that they were destined to rule the world as defenders of the Roman Catholic Church guarantors of peace and patrons of learning *The Habsburgs* is the definitive history of a remarkable dynasty that forever changed Europe and the world

The Realm of the Habsburgs Sidney Whitman,1893 [Austria, Hungary, and the Habsburgs](#) R. J. W. Evans,2006-08-03 These essays by the leading historian of the Austro Hungarian empire explore the political and religious history of the Habsburg lands They also describe key aspects of the evolution towards modern statehood and national awareness in Central Europe over more than two centuries of cultural and social transition

The Habsburg Empire Pieter M. Judson,2016-04-25 A EuropeNow Editor s Pick A Choice Outstanding Academic Title of the Year Pieter M Judson s book informs and stimulates If his account of Habsburg achievements especially in the 18th century is rather starry eyed it is a welcome corrective to the black legend usually presented Lucid elegant full of surprising and illuminating details it can be warmly recommended to anyone with an interest in modern European history Tim Blanning Wall Street Journal This is an engaging reappraisal of the empire whose legacy a century after its collapse in 1918 still resonates

across the nation states that replaced it in central Europe Judson rejects conventional depictions of the Habsburg empire as a hopelessly dysfunctional assemblage of squabbling nationalities and stresses its achievements in law administration science and the arts Tony Barber Financial Times Spectacularly revisionist Judson argues that the empire was a force for progress and modernity This is a bold and refreshing book Judson does much to destroy the picture of an ossified regime and state A W Purdue Times Higher Education Judson s reflections on nations states and institutions are of broader interest not least in the current debate on the future of the European Union after Brexit Annabelle Chapman Prospect

A History of the Habsburg Empire 1273-1700 Jean Berenger, C.A. Simpson, 2014-07-22 The first part of a two volume history of the Habsburg Empire from its medieval origins to its dismemberment in the First World War This important volume which is self contained meets a long felt need for a systematic survey in English of the Habsburgs and their lands in the late medieval and early modern periods It is primarily concerned with the Habsburg territories in central and northern Europe but the history of the Spanish Habsburgs in Spain and the Netherlands is also covered The book like the Habsburgs themselves deals with an immense range of lands and peoples clear balanced and authoritative it is a remarkable feat of synthesis and exposition

The Habsburg Monarchy, 1618-1815 Charles W. Ingrao, 2000-06-29 This is a revised and updated edition of a highly acclaimed history of the early modern Habsburg monarchy Charles W Ingrao challenges the conventional notion of Habsburg state and society as peculiarly backward by tracing its emergence as a military and cultural power of enormous influence The Habsburg monarchy was undeniably different from other European polities geography and linguistic diversity made this inevitable but by 1789 it had laid the groundwork for a single polity capable of transcending its uniquely diverse cultural and historic heritage Charles W Ingrao unravels the web of social political economic and cultural factors that shaped the Habsburg monarchy during the period and presents this complex story in a manner that is both authoritative and accessible to non specialists This edition includes a revised text and bibliographies new genealogical tables and an epilogue which looks forward to the impact of the Habsburg monarchy on twentieth century events

A History of the Habsburg Empire, 1526-1918 Robert A. Kann, 1980-11-26 Describes surveys and discusses the major historical aspects of the Habsburg Empire diplomatic political institutional socioeconomic and cultural

The Habsburgs Andrew Wheatcroft, 1997-05-01 The Habsburgs have been described at one extreme as demons responsible for a long history of atrocities and at the other as dodos living fossils unable to adapt to the modern world In reality the flamboyant royal family appear in many ways to have behaved much like most other monarchies Their story however is none the less enthralling for that It is populated by such unforgettable figures as mad Queen Juana progressing through Spain with her husband s decaying body the heroically fertile Maria Theresa and the quixotic Maximilian Emperor of Mexico

The Habsburgs Dorothy Gies McGuigan, 1966 Personal lives of a royal family that made history for six centuries

Hungary and the Habsburgs, 1765-1800 Éva H. Balázs, 1997 Eva H Balazs one of the foremost living authorities on eighteenth century Central Europe examines a crucial period in the co

existence of the Austrian hereditary provinces and Hungary In a Europe torn by wars and revolutions in the last third of the eighteenth century political economic and personal factors intertwined to determine the fortunes of the Austrian rulers and the subjects of the Hungarian crown who collaborated with them in a subordinated status Rejecting commonplaces of the centre periphery approach the author argues that the Habsburg monarchy was a centre whose reforms in this period inspired all subsequent movements for reform in Eastern and Central Europe Professor Balazs's skill in combining great wealth of archival material not only from Austria Hungary Poland and Slovakia but unprecedented in this field also from France gives the reader a near contemporary proximity to the figures and developments discussed The Habsburg Empire Martyn Rady, 2017-03-16 The Habsburgs are the most famous dynasty in continental Europe From the thirteenth to the twentieth centuries they ruled much of Central Europe and for two centuries were also rulers of Spain Through the Spanish connection they acquired lands around the Mediterranean and a chunk of the New World spreading eastwards to include the Philippines Reaching from South East Asia to what is now Ukraine the Habsburg Empire was truly global In this Very Short Introduction Martin Rady looks at the history of the Habsburgs from their tenth century origins in Switzerland to the dissolution of the Habsburg Empire in 1918 He introduces the pantheon of Habsburg rulers which included adventurers lunatics and at least one monarch who was so malformed that his true portrait could never be exhibited He also discusses the lands and kingdoms that made up the Habsburg Empire and the decisive moments that shaped their history Dynasty Europe global power and the idea of the multi national state all converge on the history of the Habsburg Empire ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable *The Habsburg Empire* Pieter M. Judson, 2016-04-25 This panoramic reappraisal shows why the Habsburg Empire mattered for so long to so many Central Europeans across divides of language religion and region Pieter Judson shows that creative government and intractable problems the far flung empire could not solve left an enduring imprint on successor states Its lessons are no less important today Queen's Apprentice Joseph F. Patrouch, 2009-12-07 This book recounts the first fifteen years early education and marriage negotiations of the Habsburg Archduchess Elizabeth who grew up in the Royal and Imperial Courts of Vienna and Wiener Neustadt in the latter half of the sixteenth century It portrays life at the court of Elizabeth's mother the Empress Maria and describes tournaments coronations plays medals chivalric literature music art sewing and saints lives as well as urban contexts Ideas of political space and travel are discussed against the settings of Prague Frankfurt Stuttgart Bratislava Munich and Augsburg Elizabeth's story reveals specific structures of the Habsburg Courts featuring Spanish Austrian Hungarian Low Country Italian and Bohemian courtiers and sets her personal story against the background of larger international events such as the Peace of Augsburg in 1555 and the Ottoman Wars The Habsburg Empire

1700-1918 Jean Berenger,C.A. Simpson,2014-09-19 This is the eagerly awaited second volume of Jean Berenger's history of the Habsburgs It covers the last two centuries of their rule and provides a compelling account of the fluctuations of Habsburg dynastic power and its disintegration after World War One Berenger gives a rich portrait of Habsburg greatness under Maria Theresa and Joseph II and shows how their successors proved more adroit at riding the tide of nationalism in their multi ethnic empire than is often recognised

The Habsburg Empire Captivating History,2021-02-24 Discover the captivating history of Europe's second oldest dynasty the Habsburgs The Habsburg family ruled central Europe since the early medieval times to World War I but they still exist as one of the most prestigious Austrian families Although the family once ruled the largest territory in Europe it has been reduced to a wealthy family who has all but forgotten their past But to keep themselves in such high positions the Habsburgs had to develop unique strategies to fight their political enemies They wanted to rule the world and saw themselves as the only dynasty worthy of such divine right To keep the family pure they often married within their family which resulted in a very weak genetic pool and many mental and physical problems In this book you will discover what the Habsburg jaw is how one family envisioned the European Union and how conservatism can ruin an empire The story of the Habsburg family transcends the ages and each member who once ruled was a unique persona deserving of our attention The dynasty ruled the Holy Roman Empire for the longest and even when they lost it they were capable of founding their own the Austrian Empire However like any other family they had problems of their own which led to intrigues arguments and splits Learn how the Habsburg family divided and how they ruled Spain as well as central Europe until King Charles the Cursed died leaving no heir And finally this book will show you the truth behind the murder of Franz Ferdinand and the start of World War I making you wonder if the Habsburg Empire ever had to end What would the future of Europe be like if the nations were still united under one ruler And is it possible for so many nations to share the same government culture and history Follow the Habsburgs through the centuries of their existence and discover Who were the Habsburgs and where did they come from Personal traits of various Habsburg rulers The family feuds and religious and national splits The cultural influence of the Habsburgs on Europe The governmental innovations of different Habsburg rulers The enlightened rulers of central Europe Maria Theresa one of the strongest Habsburg rulers How did the end of the Holy Roman Empire come about How did a Bosnian Serb bring about the end of the Austro Hungarian Empire Where are the Habsburgs today And much more Scroll up and click the add to cart button to learn more about the history of the Habsburg Empire

The Habsburg and Hohenzollern Dynasties in the Seventeenth and Eighteenth Centuries Carlile Aylmer Macartney,1970 Between them the Habsburg and Hohenzollern dynasties controlled the fortunes of central Europe through most of the seventeenth and eighteenth centuries The Habsburgs had fallen heir to what was left of the Holy Roman Empire They were a long established house and ruled in Austria the Tirol Hungary Bohemia not to become Czechoslovakia until modern times and parts of Germany The Hohenzollerns in 1600 were far less august their lands little more than a medium

sized principality that had started as the Mark of Brandenburg Yet within two hundred years they were challenging the leadership of the Habsburgs expanding their territories and organizing the military Prussian state while the rival house in a sense squandered its heritage through division of authority and indifferent government These were troubled centuries filled with turmoil and dramatic events Religion was a divisive force in the Habsburg lands where the rulers were Roman Catholic and the Estates representing the privileged classes were Protestant The Thirty Years War arising from religious tensions was won at horrendous cost by the Habsburgs who then instituted repressive policies The war with the Turks brought forth the heroic figures of the Pole Sobieski who delivered besieged Vienna and Eugene of Savoy whose generalship proved decisive In 1740 the bloody heritage passes on to the young Maria Theresa The spirited empress brought her lands many economic cultural and social reforms despite more wars including the onslaught of the Hohenzollern Frederick the Great The extraordinary Frederick was the culmination of the dynasty of Hohenzollerns Almost every one of them added to the house's lands enlarged the army and helped to construct an imposing bureaucracy Frederick was the prototype of the enlightened century France No mere dilettante by the end of his reign he had fully doubled the wealth of his dominions and doubled their size An ample selection in this very useful volume of documentary materials is devoted to Frederick balancing in the deserved emphasis in the first half of his Habsburg contemporary Maria Theresa

Thank you extremely much for downloading **The Habsburgs**. Maybe you have knowledge that, people have look numerous period for their favorite books with this The Habsburgs, but end up in harmful downloads.

Rather than enjoying a good ebook similar to a cup of coffee in the afternoon, on the other hand they juggled subsequently some harmful virus inside their computer. **The Habsburgs** is approachable in our digital library an online admission to it is set as public as a result you can download it instantly. Our digital library saves in multipart countries, allowing you to get the most less latency time to download any of our books considering this one. Merely said, the The Habsburgs is universally compatible afterward any devices to read.
