**The Authentic Jesus** John R. W. Stott,1985    [The Authentic Jesus](#) John R. W. Stott,1985    **The Original Jesus**

Daniel Darling,2015-08-25 From hit songs to bumper stickers to eye black Jesus is trending high wherever you look But at the end of the day many try Jesus and come away disappointed in the experience That's because the Jesus of popular culture looks much more like us than the God man who appeared in the flesh two thousand years ago We've got Guru Jesus Braveheart Jesus Dr Phil Jesus Free Range Jesus and plenty more imposters that feed into our selfish desires The problem is they don't have the power to save us or transform us into new creations Luckily it doesn't have to be that way The Original Jesus calls readers back to the Jesus who demands our worship the potter who molds us the clay Seekers skeptics and sojourners in the way of faith will see Jesus for who he really is God in the flesh calling us to surrender our very lives that we may truly live Foreword by Russell Moore    *The Authentic Jesus* John R. W. Stott,1985    **Discover the Real Jesus** Bill Bright,2004 Who is the real Jesus Everyone has an opinion from the scholars on a quest for the historical Jesus to the ordinary person on life's journey who thinks of Jesus as a good person This book addresses the controversy that Jesus by His very nature incited both in His lifetime and still today Dr Bill Bright leads us through the various opinions of who Jesus is so we can encounter the authentic Jesus the Jesus who is very much alive and real today    *Understanding the Real Jesus*

Russell Martin,2006-09 Jesus proclaimed God's imminent universal kingdom His Jewish followers were faithful to him Paul misunderstood Jesus and subverted his message but succeeded when the truth was accidentally lost in history    **China and the True Jesus** Melissa Wei-Tsing Inouye,2018 The history of the True Jesus Church a Pentecostal church founded in Beijing in 1917 reveals dynamic interaction between charismatic experience and organizational processes Believers lived experiences provide grassroots perspective on developments in China's modern history including transnational exchange gender roles models for legitimate governance clandestine culture and church state relations    [GIVE ME Jesus](#) JAY R.

LEACH,2013-04-09 CHANGE is is the one thing you can count on in these exciting and discouraging times Fueled by the bizarre pace of technological innovation transitions are taking place in society and the church in ways that we have never seen before Beginning with the fact of four generations living at the same time each with their unique ideas and change accompanied by a generational breakdown in understanding and communications In the past the church was a reliable moral compass for society But today with the self imposed isolation inside the four walls of brick Satan is left to his device of blinding the minds of men lest they believe the glorious gospel of eternal salvation He has been able to spread a cloak of darkness over our Western culture Darkness is not knowing the real purpose and nature of things For example What is the source of man and his world Where have man and his world come from What is the purpose of man in the world Why do man and his world exist What is the end of man and his world Light is knowing God and His Son the authentic Jesus Christ who stands as the Source of purpose and end of man and his world Further light is to know the truth and reality of man and his

world that God created all for Himself That He loves and saves all to live with Him eternally if we will only believe and trust Him Today there is a tension between the world and the Word The authentic Christ is the only hope for the world Give Me Jesus    The Authentic Jesus Lewis S. Keizer,1983\*    **Will the Real Jesus Please Stand Up!** Robert

McClelland,2014-10-28 In a world where the God hypothesis is no longer necessary todays Church may offer skeptical Seekers a Jesus Story that no longer connects with their lives Nevertheless their honest questions are to be valued and honored by the Church because they keep us honest and make us rethink the relevancy of our faith Todays world is asking if there is any Reality to the Jesus about whom we speak and if so would he please stand up It is my contention that faith in God does not depend upon proof of his existence as much as what that Gods attitude is toward us While the Good News proposed by Christian Faith is that Gods attitude was definitively displayed in Jesus I am suggesting that our Jesus Story must take the Apostle Pauls understanding of Reconciliation seriously God too has to pay the price of Sin He is part of the problem of our alienation and neither we nor God can escape its consequences Therein lies the POWER I believe of the Jesus Story to hold the attention of todays Seeker Jesus not only died for our sins he died for Gods Sin as well Our Sin was our disobedience Gods Sin was his Ignorance It is Paul who getting his message directly from the Risen Christ sees this most clearly Paul wants us to understand that God was in Christs life and death reconciling the world to himself not just forgiving us Unlike the Jesus Story told by todays Church Paul sees Gods Grace as much more amazing than mere payment for our peccadilloes
