## **The Authority Of Grace:**

**The Authority of Grace** Carl H. Stevens, 1998-01-01      *The Ministry of the Word, Vol. 25, No. 03: Vital Factors for the Recovery of the Church Life* Various Authors, This issue of The Ministry of the Word contains the eight messages of the international training for elders and responsible ones hosted by Living Stream Ministry on April 16 18 2021 The messages were provided via webcast from Anaheim California and the mutual fellowship prophesying and studying by groups were practiced locally in the various churches that participated The general subject of this series of messages is Vital Factors for the Recovery of the Church Life The ultimate goal in God's eternal economy is the building up of the church as the Body of Christ to consummate the New Jerusalem the bride of the redeeming God In the age of the church there needs to be an understanding experience and application of various vital factors for the strengthening and full recovery of the church life A factor is an element that actively contributes to the production of a result In this series of messages we will see eight vital critical and strategic elements that actively contribute to the recovery of the church life      *The Authority of Holy Scripture* Charles Augustus Briggs, 1891      **The Holy Word for Morning Revival - Vital Factors for the Recovery of the Church Life** Witness Lee, 2021-04-24 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the International Training for Elders and Responsible Ones webcast from Anaheim California on April 16 18 2021 The general subject of the training was Vital Factors for the Recovery of the Church Life Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ      **The Lord Is the Spirit** John A. Studebaker, 2008-01-01 Although the doctrine and work of the Holy Spirit is no longer being ignored in theology as was often the case in centuries past the authority of the Spirit remains essentially undefined The need for such a definition however is urgent Some dangerous trends in the contemporary understanding of the Spirit have developed trends that can only be exposed through careful exegesis of Scripture and theological clarification Indeed some contemporary models often leave us with a nonauthoritative Spirit predisposed toward universalism experientialism or panentheism This work will attempt to show that the nature of the Holy Spirit's authority can be clearly defined through biblical and systematic theology When we investigate the Spirit's place within the pattern of divine authority as specified in Scripture we discover that the Holy Spirit indeed possesses a unique authority as divine Person Christ's Executor Teacher and Governor of the Church Such a work will be helpful for both the theologian and the pastor First definitions of the Spirit's authority will be developed through historical exegetical and theological analysis Then these definitions will be applied to specific church practices including hermeneutics church structure and guidance and Christian spirituality A response will also be given to those practical theologies that are subtly diminishing the Spirit's authority in relation to the contemporary church      *The Authority of Grace* Walter Alexander Whitehouse, 1981      *The Power of the Priesthood in Absolution, and a*
