## **The Asbestos Strike:**

**The Asbestos Strike** Pierre Elliott Trudeau, 1974     *The Asbestos Strike: 1949* Jocelyn St. Pierre, 1974     THE ASBESTOS STRIKE. TR. BY JAMES BOAKE. Pierre Elliott Trudeau, 1974     La grève d'Asbestos Lewis H. Brown, 1949  
*The Asbestos Strike* Lewis Herold Brown, 1949     **Canada's Visual History** Jocelyn Saint-Pierre, Kanada National Film Board, National Museum of Canada, National Museum of Man, 1974     *On Strike* Irving Abella, 1974 Compilation of articles on six key strikes in Canada from 1919 to 1949 includes references     *A Preliminary Review of the Asbestos Strike* Margaret E. Shay, 1950     **Working People** Desmond Morton, 1998 Desmond Morton highlights the great events of labour history the 1902 meeting that enabled international unions to dominate Canadian unionism for seventy years the Winnipeg General Strike of 1919 and an obscure 1944 order in council that became the charter of labour's rights and freedoms He looks at the new model unions that used their members dues and savings to fight powerful employers and describes the romantic idealism of the Knights of Labor in the 1880s one of the most dramatic and visionary movements ever to seize the Canadian imagination He recounts the desperate struggles of miners loggers and fishers to protect themselves from both employers and the dangers of their work *Working People* explores the clash between idealists who fought for such impossible dreams as an eight hour day socialism holidays with pay industrial democracy and equality for women and men and the realists who wrestled with the human realities of self interest prejudice and fear Morton tells us about Canadians who deserve to be better known such as Phillips Thompson Helena Gutteridge Lynn Williams Huguette Plamondon Mabel Marlowe Madeleine Parent and a hundred others whose struggle to reconcile idealism and reality shaped Canada more than they would ever know This new edition brings the book up to date with discussions of globalization and its challenge to nationally based workers organizations     **Paddling With the Current** Claude Couture, 1998-07 Claude Couture describes our inheritance from the Trudeau era as fractured between notions of collectivity and individual rights Couture dissects this seeming paradox by examining the very nature of Trudeau's liberalism BOOK JACKET     The Asbestos Strike Canadian Johns-Manville Company, Ltd, Lewis Herold Brown, 1949     **Trudeau Transformed** Max Nemni, Monique Nemni, 2011-10-17 This groundbreaking biography continues the story begun in *Young Trudeau* taking Canada's legendary Prime Minister from his pro fascist youth all the way to his entry into federal politics as a crusading Liberal democrat When he went to Harvard in 1944 Pierre Trudeau was twenty five a recent graduate of the University of Montreal Law School true to his elite Catholic French education he had been till recently pro fascist and he disliked democracy Years of graduate study at Harvard then the Sorbonne then the London School of Economics exposed him to new ideas as did his hitchhiking travels around the world Returned to Quebec as a new man he engaged in educating workers and other jobs that made him a famous defender of federal democracy He entered Parliament in 1965 within three years of rocketing Obama like to the very top     **Citizen of the World** John English, 2009-10-15 One of the most important exciting biographies of our time the definitive major two

volume biography of Pierre Elliott Trudeau written with unprecedented complete access to Trudeau's enormous cache of private letters and papers Bestselling biographer John English gets behind the public record and existing glancing portraits of Trudeau to reveal the real man and the multiple influences that shaped his life providing the full context lacking in all previous biographies to date As prime minister between 1968 and 1984 Trudeau the brilliant controversial figure intrigued Canadians and attracted international attention as no other Canadian leader has ever done Volume One takes us from his birth in 1919 to his election as leader in 1968 Born into a wealthy family in Montreal Trudeau excelled at the best schools graduating as a lawyer with conservative nationalist and traditional Catholic views But always conscious of his French English heritage desperate to know the outside world and an adventurer to boot he embarked on a pilgrimage of discovery first to Harvard and the Sorbonne then to the London School of Economics and finally on a trip through Europe the Middle East India and China He was a changed man when he returned socialist in his politics sympathetic to labour a friend to activists and writers in radical causes Suddenly and surprisingly he went to Ottawa for two mostly unhappy years as a public servant in the Privy Council Office He frequently shocked his colleagues when on the brink of a Quebec election for example he departed for New York or Europe on an extended tour Yet in the 1950s and 60s he wrote the most important articles outlining his political philosophy And there were the remarkable relationships with friends women and especially his mother whom he lived with until he was middle aged He wrote to them always exchanging ideas with the men intimacies with the women especially in these early years and lively descriptions of his life He even recorded his in depth psychoanalysis in Paris This personal side of Trudeau has never been revealed before and it sheds light on the politician and statesman he became Volume One ends with his entry into politics his appointment as Minister of Justice his meeting Margaret and his election as leader of the Liberal Party and Prime Minister of Canada There his genius and charisma his ambition and intellectual prowess his ruthlessness and emotional character and his deliberate shaping of himself for leadership played out on the national stage and when Lester B Pearson announced his retirement as prime minister in 1968 there was but one obvious man for the job Pierre Trudeau In 1938 Trudeau began a diary which he continued for over two years It is detailed frank and extraordinarily revealing It is the only diary in Trudeau's papers apart from less personal travel diaries and an agenda for 1937 that contains some commentary His diary expresses Trudeau's own need to chronicle the moments of late adolescence as he tried to find his identity It begins on New Year's Day 1938 with the intriguing advice If you want to know my thoughts read between the lines from *Citizen of the World* **Curriculum Series** Ontario Institute for Studies in Education, 1978

**The Chief** Leslie Roberts, 1963 Messiah or Machiavelli Saviour of the autonomy of French speaking Canada from the federal centralizers in Ottawa ruthless demagogue ruling his Union Nationale party and the entire province of Quebec with an iron will rabble rouser and dictator grand seigneur and tyrant these are but a few of the many facets of the enigma that is Maurice Duplessis Premier of Quebec from 1936 to 1939 and from 1944 to 1959 and one of the most controversial Canadian

politicians of our time In his new book *The Chief* the first English language biography of Duplessis Leslie Roberts traces the many convolutions of this man s incredible rise to supremacy The driving force behind Duplessis s extraordinary career was his love of power While hangers on lined their pockets from the enormous Union Nationale slush fund Duplessis gave little thought to money and on his death left no great estate His supreme aim was to be master of an independently run Quebec From early boyhood he retreated from the company of friends and admirers into the impregnable defense of his own ambition With a genius for knowing how to gratify the pretty aspirations of lesser men the Chief chose as his ministers administrators not advisers mere puppets to carry through his legislation and to keep his machine running effectively Those who crossed him were summarily dismissed Public contractors were commanded not requested to carry out his development programme He crushed all opposition by a series of repressive measures many of them unconstitutional The controversial Padlock Law passed in 1937 enabled Duplessis as Attorney General to bar any owner or tenant from his own property on the mere assertion that he was Communist sympathizer His provincial police were organized into a private army and used dispassionately to break strikes or to win elections Their methods were brutal in the extreme Duplessis made only one major miscalculation in the whole of his political career In September 1939 with Canada at war and the controversy over conscription at its height a Union National victory at the polls seemed a foregone conclusion Then before a packed audience in a flight of emotional oratory Duplessis declared that a vote against Maurice Duplessis or any of his candidates would be a vote for participation assimilation and centralization For once Duplessis had misjudged his people With that one word participation he signed the death warrant of his first ministry When he returned to power in August 1944 he made certain that nothing would shake him from that position again Leslie Roberts has an intimate knowledge of Quebec politics which enables him to throw light on the many undercurrents that swayed political events during the complex and lively period of the Duplessis administration He is familiar with the French Canadian background so important in forming Duplessis philosophy and in cementing the bond between him and his people In *The Chief* he has achieved a remarkable portrait not only of Duplessis the public figure but of Duplessis the man the megalomaniac who yet was greatest on defeat and often most inglorious in his triumphs *The Labour Gazette* ,1963 *Strike!* Walter Stewart,1977 Monograph investigating the causes and cost of strikes in Canada discusses the role of trade unions deals with collective bargaining essential public service strikes violence legal aspects intra union conflict nationalism in the Canadian union movement labour relations etc and includes a historical account of factors affecting strikes Illustrations and references *The Labour Gazette* Canada. Dept. of Labour,1963 *Asbestos Strike: the Press and Public Opinion* Grace Morey McKenzie,1951 **The Canadian Historical Review** ,1981 Includes section Recent publications relating to Canada
