St Augustine himself saying that what we now call Christianity emerged at the very beginning of humanity as the one true religion To access its transformative force Leadbeater returns to original teachings and decodes its story symbolically as a guide for direct knowledge Gr gnosis of the Divine As Christ had the Godhead behind Him so have we the same power although not yet unfolded as fully he says Nevertheless it is only a question of development and that development is certain With the authority of a scientist and a mystic he addresses such topics as the birth of Christ in the heart God s utter love divine grace angelic help the true meaning of salvation and reincarnation and the evolution of the soul
