Designing a Place Called Home James Wentling, 2012-12-06 are often lined with garages in front of houses that are clearly more internalized in design some even taking on a fortress like appearance Today s new homes are technically superior in construction i e they are more energy efficient weather resistant and maintenance free However they also seem to lack the warmth and charm of prewar homes for which more construction dollars were spent on quality veneers buUt in features and other human scale details The postwar need for massive amounts of affordable housing for returning GIs helped to encourage buUding practices that could reduce on site labor and material costs in houses The accommodation of the automobile cost cutting movements and a variety of other trends caused a gradual decline in the human social and emotional qualities of postwar residential architecture This book will attempt to look at the issues and choices facing today s residential designers and home buUders and ask How can we make our new houses and neighborhoods more responsive to humanistic needs partlcularly in light of constant pressures to keep housing costs down This question will generally be addressed by comparing historical designs to those of today to see if we might be able to reconsider some old fashioned ideas in new housing designs The Owner-Builder Book Mark A. Smith, Elaine M. Smith, 2007 This easy to understand step by step guide is clear enough for even a novice to understand Even if you hire a contractor to build you home this book will greatly help you understand the process From shopping for a piece of land to getting a loan to dealing with a contractor the Smiths advice covers everything about building a home The authors advise on getting organized and tackling the hardest parts of the process step by step Included are valuable lists charts ideas and questionnaires Also how to shop around for bargains and minimize costs room by room American Woodworker , 1992-02 American Woodworker magazine A New Track Media publication has been the premier publication for woodworkers all across America for 25 years We are committed to providing woodworkers like you with the most accurate and up to date plans and information including new ideas product and tool reviews workshop tips and much much more Make It-II Mary Ellen Heim, 1989 Incorporates handicraft projects in needleworking electronics woodworking toy making fence building and a myriad of other practical and decorative crafts The Owner-Builder Book: Construction Bargain Strategies , American Woodworker , 1992-11 American Woodworker magazine A New Track Media publication has been the premier publication for woodworkers all across America for 25 years We are committed to providing woodworkers like you with the most accurate and up to date plans and information including new ideas product and tool reviews workshop tips and much much more **Index to Handicraft Books, 1974-1984** Carnegie Library of Pittsburgh. Science and Technology Department, 1986 Handicrafts and do it yourself projects have al ways been a library s most popular and heavily re requested subject And for more than a decade a definitive index to handicraft

books has not been published To fill this gap the Science and Technology Department at Carnegie Library of Pittsburgh has compiled the Index to Handicraft Books listing more than 900 books and over 12 400 subject entries covering books published from 1974 to 1984 The Index to Handicraft Books is an essential reference tool for librarians who want to help some one find instructions for a varied range of do it yourself projects providing quick access to craft projects in books more recent than previous handicraft index books have listed Each entry in the index consists of a subject heading the name of the project as listed in the book the author and title of the book and the page numbers on which the project can be found The author and title correspond to those in the List of Works Cited section which gives full bibliographic information in order to help librarians find the book on their shelves or obtain the book through inter library loan Because this index developed from a card file index of craft books acquired by Carnegie Library since 1974 the list concentrates mainly on medium priced books that most libraries buy
