The Bader Wing:

Bader's Spitfire Wing Dilip Sarkar, 2022-05-05 Whether you have feelings about Bader or not this is an excellent book to gain insight into the summer of 1941 when ready or not the RAF went on the offensive The Journal of the Air Force Historical Foundation On 30 August 1940 at the height of the Battle of Britain the pilots of RAF Fighter Command s No 12 Group were requested to reinforce 11 Group and intercept a Luftwaffe raid on an aircraft factory at Hatfield The events that day led the swashbuckling legless fighter pilot Douglas Bader to submit a report arguing that the more fighters he had at his disposal the greater would be the execution of the enemy that could be achieved It was a concept that received support from 12 Group s Air Officer Commanding Air Vice Marshal Leigh Mallory In Bader s proposal Leigh Mallory saw an opportunity for 12 Group to play a greater part in what was clearly an historic battle Leigh Mallory authorised Bader to lead three then five squadrons a controversial formation that came to be known as the Duxford Wing or Big Wing For the rest of 1940 Bader and the Big Wing then based at Duxford played its part in the defense of Britain s skies Then in March 1941 the role of Wing Commander Flying was created This was the fighter pilot s dream appointment because the Wing Leader s sole responsibility was leading his wing in action unfettered by tedious administration and logistical matters Needless to say Douglas Bader was amongst the first wing leaders He was even given the choice of which Wing he preferred He chose to take command of that based at Tangmere on the South Coast right at the fore of the RAF s battle against the Luftwaffe In Bader s Spitfire Wing Dilip Sarkar not only explores the full story of the men and machines of the Tangmere Wing in 1941 as well as the controversy that surrounds their use he also fully investigates the part that they played in the RAF s efforts to take the offensive to the Luftwaffe on the opposite side of the English Channel It was in one such sortie in August 1941 that the Tangmere Wing lost its famous leader Bader went on to spend the rest of the war in captivity **The Bader Wing** John Frayn Turner, 1999

The Bader Wing Turner, 1982-02-01 Dowding & Churchill Jack Dixon, 2009-04-21 A WWII historian shines a light on an unsung hero of the Battle of Britain and reveals the conspiracy that led to his undignified dismissal From 1936 to 1940 Air Chief Marshal Sir Hugh Dowding built Britain s cutting edge defensive force Fighter Command Thanks to his foresight Fighter Command was the only military arm prepared for battle when war was declared against Germany Dowding s leadership of Fighter Command was crucial to achieving victory in the Battle of Britain one of the decisive battles of Western Civilization Though the importance of the Battle of Britain was recognized at the time Dowding was relieved of his command shortly afterward and shuffled into retirement without recognition This book reveals that this was the result of a shabby conspiracy by fellow officers In March 1941 the Air Ministry published a brief account of the battle that made no mention of Dowding Churchill was furiously indignant But in November 1940 he had acquiesced in Dowding s removal Why And what are the factors that led to Dowding s dismissal in the first place In this thought provoking and authoritative book Jack Dixon answers these questions and explains Dowding s true greatness Bader's Last Fight Andy Saunders, 2017-01-31 On 9

August 1941 one of the greatest icons of the Second World War Douglas Bader was shot down captured and later incarcerated But by whom and how Was it by one of his deadly German opponents as Douglas Bader himself maintained or was it by one of his own side There has been much debate and controversy among historians and in 2003 the author of this book revealed for the first time that Bader may have been victim to friendly fire That revelation was followed by interest in the national press and later by a TV documentary screened on Channel 4 in August 2006 In the book aviation historian Andy Saunders develops his hypothesis backed up by strong evidence and a wealth of statistics and separates fact from fiction He expertly dissects all the material relating to the day itself and subsequent events In this new updated edition Andy Saunders tells of his quest to find the legendary fighter pilots aircraft which led to the remarkable discovery of a lost Spitfire which is being restored to flying condition This book will fascinate all who read it and will be seen by most observers to be the final word on one of the great mysteries of the entire war

Heroic Flights John Frayn Turner, 2003-12-19 A century after the Wright Brothers first took to the air the author records those moments of aviation history that stand out from all the others for their pioneering bravery or gallantry in the face of the enemy A fascinating potpourri embracing the whole story of aviation from those first faltering flights through the conquest of the world by flight the drama of war in the air right up to the present day and the four ill fated flights of September 11th 2001 Each story is a superb description of the great moments in the history of aviation A superb read for both the layman and aviation specialist alike

Duxford and the Big Wings, 1940-45 Martin W. Bowman, 2009 A pulsating account of the young RAF and American fighter boys who flew Spitfires Hurricanes Thunderbolts and Mustangs during 1940-45 It is unique in that the story is told using first person accounts from RAF German and American Eagles who fought in the skies over England in the Battle of Britain in the summer of 1940 and the great air offensives over occupied Europe from 1942 onwards The first five and a half chapters cover the Battle of Britain period when the RAF squadrons fought dog fights with the Luftwaffe and then fought them in gathering strength using the Big Wings to meet the bomber fleets attacking London The second part of the book covers the Eagle squadron period which was expanded with America's entry into the war The action moves to the USAAF Big Wings of Thunderbolts and Mustang fighters that flew escort missions and dueled with the Luftwaffe over the continent during the massive bomber raids on German targets in France the Low Countries and the Reich itself A whole host of incredible first hand accounts by British Polish Czech German and American fighter pilots permeate the action and describe the aerial battles as only they can This unique book also includes many accounts and photos that have not previously been seen before while the rich mix of combat accounts from all sides are brought together for the first time in one volume

Spitfire Down Dilip Sarkar, 2022-09-15 Profoundly moved by the stories of wartime casualties as a child Dilip Sarkar has since spent a lifetime reconstructing the lives of many of the fallen and is passionate about recording and sharing this very personal hidden history In Spitfire Down he explores the stories of thirteen pilots who failed to return all killed either in action or flying accidents while a fourteenth

Flying Officer Buck Casson was brought down by a German ace over France and captured There is for example the virtually unknown story of The Baby of the RAF Sergeant Geoffrey Painting Posted to fly Spitfires with 118 Squadron at RAF Ibsley in Hampshire Painting was hit by flak during an attack on enemy shipping off Cherbourg on 30 September 1941 Still listed as missing at just 17 he is believed to have been the youngest RAF pilot killed during the Second World War The author has reconstructed Painting s short life with help from his family and forensically deconstructed that last flight with the help of the now late Wing Commander Peter Howard Williams DFC who was flying with the teenage pilot that day The author also explores the heart rending story of an American trainee fighter pilot Pilot Officer Jim Bob Lee whose Spitfire collided with a Wellington bomber over Gloucestershire resulting in the loss of all airmen involved Two Canadian pilots perished on Pen y Fan the highest peak in South Wales The multi national effort that defeated Hitler is further emphasised in fact through the stories of both Wing Commander Piotr Laguna and Flying Officer Franek Surma But perhaps most tragic of all is how lightning struck Joan Welch twice her first fianc e Flight Lieutenant Lester Sanders DFC was killed test flying Spitfires in 1942 and her second Pilot Officer Ian Smith was killed flying in Palestine in 1945 Using correspondence diaries and other personal papers of the pilots concerned the author has reconstructed their all too brief lives and provided a lasting and profusely illustrated record of these sacrifices

Honour Restored Sqn Ldr Peter Brown AFC,2016-08-12 The Battle of Britain was won in 1940 by the squadrons of Fighter Command under the leadership of Air Chief Marshal Dowding who was given no public honour or recognition for this great achievement in saving Britain from Nazi invasion and occupation here now is a searching and advanced review which justifies Dowding s place of honour in British history This book is written by a Spitfire pilot who served at readiness and in combat throughout the Battle of Britain in day fighter squadrons His personal observations of the war during 1939 and 1940 combined with many years of research has produced a penetrating review of the Battle with many of the old myths dispelled The author tells of the sacrifices of the people of Britain the great courage and tenacity of our young fighter pilots always outnumbered by the Luftwaffe bombers and fighters He courageously exposes and shames the appalling behaviour of the Air Ministry cabal of senior officers who attacked and dishonoured Dowding at this time of great crisis in our history Questions such as who controlled the Battle was it Reichsmarschall Goering or the weather was there really a Big Wing Philosophy or was it just a Big Wing myth why were WWI night fighting tactics for slow flying biplanes introduced by the Air Ministry in 1940 as a defence over London against fast flying modern Luftwaffe bombers why was there a cabal and who were the members plus many more are discussed This is a book telling of honour restored to the people of Britain our fighter pilots and Air Chief Marshal Dowding sadly it also tells of dishonour
