

The Balkans between Russia and the West

International Relations and Internal Divides

In this talk, Professor Dejan Jović (University of Zagreb) will examine how the domestic actors in the Western Balkans interpret the role of Russia and the West in their region; how the war in Ukraine has influenced their policies towards national minorities and their neighbours; and what they fear and hope for as they contemplate the potential collapse of the international order in Europe.

Janković, 1988 **Diplomacy and Crisis Management in the Balkans** Gazmen Khudo, 2016-07-27 Since the fall of the Berlin Wall observers and players of American foreign policy have been wrestling with what US policy is and more importantly what it should be in the post Cold War era The breakdown of communism in the East has coincided with the outbreak of warfare in the former Yugoslavia to add a new sense of urgency for those seeking a direction for US foreign policy This work seeks to demonstrate how reactive rather than proactive measures by the US in both democracy promotion and in crisis management have been short sighted resulting in the present failure **Review of International Affairs** ,2000 **The Journal of International Relations** ,1922 **The Balkans Beyond Nationalism and Identity** Pavlos Hatzopoulos, 2007-12-19 For decades we have come to accept that nationalism formed the basis of the modern history of the Balkans In this bold and controversial study Pavlos Hatzopoulos turns this assumption on its head Through a ground breaking examination of the non nationalist ideologies in the Balkans during the interwar period Hatzopoulos calls into question the supposedly inherent connection between the Balkans and nationalism and argues that nationalism does not form the sole ordering principle of the modern history of the Balkan region Focusing on the ideologies of communism liberal internationalism and agrarianism Hatzopoulos examines how these interact with nationalist ideology He demonstrates how non nationalist theories challenge the nationalist view of the Balkans as the sum of several national spaces He even questions the nationalist understanding of the very term the Balkans *The Balkans Beyond Nationalism and Identity* revisits contemporary debates on a region that is still a European crisis point and challenges the nation centric understanding that permeates it In proposing a description of the Balkans as a contested political concept the book argues for a completely fresh interpretation of the region s composition *International Relations* ,1964 *The Balkans in Contemporary International Relations* Veton Latifi, 2020 *Contemporary World Politics* Francis James Brown, 1939
