Rehder,2014-06-23 With the style and pacing of a good novel should become a standard in the genre Publishers Weekly FBI Special Agent William J Rehder the man CBS News once described as America s secret weapon in the war against bank robbers chronicles the lives and crimes of bank robbers in today s Los Angeles who are as colorful and exciting as the legends of long ago The mild mannered antiques dealer who robbed more banks than anyone else in history The modern Fagin who took a page out of Dickens and had children rob banks for him The misfit bodybuilders who used a movie as a blueprint for a spree of violent robberies In a fast paced hard edged style that reads like a novel *Where the Money Is* carries us through these stories and more all within a pistol shot of Hollywood all true life tales as vivid as anything on the big screen *A History of Heists* Jerry Clark,Ed Palattella,2015-07-09 No crime is as synonymous with America as bank robbery Though the number of bank robberies nationwide has declined bank robbery continues to captivate the public and jeopardize the safety of banks and their employees In *A History of Heists* Jerry Clark and Ed Palattella explore how bank robbers have influenced American culture as much as they have reflected it Jesse James Butch Cassidy Bonnie and Clyde John Dillinger Willie Sutton and Patty Hearst are among the most famous figures in the history of crime in the United States Jesse James used his training as a Confederate guerrilla to make bank robbery a political act John Dillinger capitalized on the public s scorn of banks during the Great Depression and became America s first Public Enemy Number One When she held up a bank with the leftist Symbionese Liberation Army Patty Hearst fueled the country s social unrest Jerry Clark and Ed Palattella delve into the backgrounds and motivations of the robbers and explore how they are as complex as the nation whose banks they have plundered But as much as the story of bank robbery in America focuses on the thieves it is also a story of those who investigate the heists As bank robbers became more sophisticated so did the police the Federal Bureau of Investigation and other law enforcement agencies This captivating history showshow bank robbery shaped the modern FBI and how it continues to cultivate America s fascination with the noble outlaw bandits seen rightly or wrongly as battling unjust authority **No Phones in Heaven** Gregory Haydel,2019-11-18 *No Phones in Heaven* is about two different families The first family is from south Louisiana This
