**Staging Masculinity** Carla J. McDonough,2006-07-19 The men in plays such as Arthur Miller s Death of a Salesman or Sam Shephard s True West are often presented as universal little attention is given to the gender dynamics involved in the characters This work looks at how contemporary playwrights including Miller Shepard Eugene O Neill David Mamet and August Wilson stage masculinity in their works It becomes apparent that male playwrights return often to the issues of troubled manhood usually masked in other issues such as war business or family The plays indicate both the attractiveness of the model of traditional masculinity and the illusive nature of this image which all too often fractures and fails the characters who pursue it O Neill s play The Hairy Ape and the character Yank receive much attention    Encyclopedia of American Drama Jackson R. Bryer,Mary C. Hartig,2015-04-22 Provides a comprehensive guide to American dramatic literature from its origins in the early days of the nation to American classics such as Arthur Miller s Death of a Salesman and Thornton Wilder s Our Town to the groundbreaking works of today s best writers    Perspectives on Contemporary Literature David Hershberg,2014-07-15 Today s music painting and film share with literature in the development of a new aesthetic even as these other arts influence and are influenced by literary themes and structures And at the same time the music and art of the past continue to re echo in twentieth century letters The thirteen essays gathered here open a fine and varied view of the ways in which contemporary literature interacts with the other arts Surrealism in French painting and literature collage theory and the cutups of William Burroughs texts of Butor as shaped by works of Duchamp this volume offers a rich harvest
