George Housman Thomas London December 17 1824 Boulogne sur Mer July 21 1868 was an English engraver illustrator and Victorian era painter Anthony Trollope 24 April 1815 6 December 1882 was an English novelist of the Victorian era Among his best known works is a series of novels collectively known as the Chronicles of Barsetshire which revolves around the imaginary county of Barsetshire He also wrote novels on political social and gender issues and other topical matters Trollope's literary reputation dipped somewhat during the last years of his life but he had regained the esteem of critics by the mid 20th century The Last Chronicle of Barset is a novel by Anthony Trollope published in 1867 It is the final book of a series of six often referred to collectively as the Chronicles of Barsetshire Plot summary The Last Chronicle of Barset concerns an indigent but learned clergyman the Reverend Josiah Crawley the perpetual curate of Hogglestock who stands accused of stealing a cheque The novel is notable for the non resolution of a plot continued from the previous novel in the series The Small House at Allington involving Lily Dale and Johnny Eames Its main storyline features the courtship of the Rev Mr Crawley's daughter Grace and Major Henry Grantly son of the wealthy Archdeacon Grantly The Archdeacon although allowing that Grace is a lady doesn't think her of high enough rank or wealth for his widowed son his position is strengthened by the Reverend Mr Crawley's apparent crime Almost broken by poverty and trouble the Reverend Mr Crawley hardly knows himself if he is guilty or not fortunately the mystery is resolved just as Major Grantly's determination and Grace Crawley's own merit force the Archdeacon to overcome his prejudice against her as a daughter in law As with Lucy Robarts in Framley Parsonage the objecting parent finally invites the young lady into the family this new connection also inspires the Dean and Archdeacon to find a new more prosperous post for Grace's impoverished father Through death or marriage this final volume manages to tie up more than one thread from the beginning of the series One subplot deals with the death of Mrs Proudie the virago wife of the Bishop of Barchester and his subsequent grief and collapse Mrs Proudie upon her arrival in Barchester in Barchester Towers had increased the tribulations of the gentle Mr Harding title character of The Warden he dies of a peaceful old age mourned by his family and the old men he loved and looked after as Warden

**The Last Chronicle of Barset** Anthony Trollope, 2014-05-01 Anthony Trollope was a masterful satirist with an unerring eye for the most intrinsic details of human behavior and an imaginative grasp of the preoccupations of nineteenth century English novels In The Last Chronicle of Barset Mr Crawley curate of Hogglestock falls deeply into debt bringing suffering to himself and his family To make matters worse he is accused of theft can't remember where he got the counterfeit check he is alleged to have stolen and must stand trial Trollope's powerful portrait of this complex man gloomy brooding and proud moving relentlessly from one humiliation to another achieves tragic dimensions

**The Last Chronicle of Barset** Anthony Trollope, 2011-11-16 The Last Chronicle of Barset 1867 is the novel that Anthony Trollope considered his masterpiece In the course of the last century

and a half Trollope's county of Barset has become one of English literature's most celebrated fictional landscapes. This sixth and final novel in the Barsetshire series revolves around the proud hardworking and impecunious Reverend Josiah Crawley, curate of the poor parish of Hogglestock, and his brush with disaster. Crawley stands accused of a theft but as he is uncertain himself as to the truth of the matter, he is unable to offer a defense and retreats into self-doubt and shame. The community is bitterly divided between those who wish to help him and those convinced of his guilt, the latter headed by Mrs. Proudie, the bishop's forceful wife. Meanwhile, Crawley's daughter Grace has captured the affection of Archdeacon Grantly's son Henry, but her father's scandal stands in the way of their marriage. The solution to the mystery, the downfall of Mrs. Proudie, and the resolution of the fates of many other beloved characters, including Septimus Harding, Johnny Eames, and Lily Dale, bring the famous Barsetshire chronicles to a splendid conclusion. **The Last Chronicle of Barset** provides a brilliant example of Trollope's ability to render a highly individual society with such detail and force that it comes to reflect every society in any age. **The**

**Last Chronicle of Barset. Is a Novel by** Anthony Trollope, George Housman Thomas, 2016-07-24. **The Last Chronicle of Barset** is a novel by Anthony Trollope published in 1867. It is the final book of a series of six often referred to collectively as the *Chronicles of Barsetshire*. The *Last Chronicle of Barset* concerns an indigent but learned clergyman, the Reverend Josiah Crawley, the perpetual curate of Hogglestock, who stands accused of stealing a cheque. The novel is notable for the non-resolution of a plot continued from the previous novel in the series, *The Small House at Allington*, involving Lily Dale and Johnny Eames. Its main storyline features the courtship of the Rev. Mr. Crawley's daughter Grace and Major Henry Grantly, son of the wealthy Archdeacon Grantly. The Archdeacon, although allowing that Grace is a lady, doesn't think her of high enough rank or wealth for his widowed son; his position is strengthened by the Reverend Mr. Crawley's apparent crime. Almost broken by poverty and trouble, the Reverend Mr. Crawley hardly knows himself if he is guilty or not. Fortunately, the mystery is resolved just as Major Grantly's determination and Grace Crawley's own merit force the Archdeacon to overcome his prejudice against her as a daughter-in-law. As with Lucy Robarts in *Framley Parsonage*, the objecting parent finally invites the young lady into the family; this new connection also inspires the Dean and Archdeacon to find a new, more prosperous post for Grace's impoverished father. **The Writings of Anthony Trollope: The last chronicle of Barset** Anthony Trollope, 1900

**LAST CHRONICLE of BARSET, New Edition** Anthony Trollope, 2016-02-06 I can never bring myself to believe it John said Mary Walker the pretty daughter of Mr George Walker attorney of Silverbridge Walker and Winthrop was the name of the firm and they were respectable people who did all the solicitors business that had to be done in that part of Barsetshire on behalf of the Crown were employed on the local business of the Duke of Omnium who is great in those parts and altogether held their heads up high as provincial lawyers often do They the Walkers lived in a great brick house in the middle of the town gave dinners to which the county gentlemen not unfrequently condescended to come and in a mild way led the fashion in Silverbridge I can never bring myself to believe it John said Miss Walker You'll have to bring yourself to believe it said John without taking his eyes from his book A clergyman and such a clergyman too I don't see that that has anything to do with it And as he now spoke John did take his eyes off his book Why should not a clergyman turn thief as well as anybody else You girls always seem to forget that clergymen are only men after all Their conduct is likely to be better than that of other men I think I deny it utterly said John Walker I'll undertake to say that at this moment there are more clergymen in debt in Barsetshire than there are either lawyers or doctors This man has always been in debt Since he has been in the county I don't think he has ever been able to show his face in the High Street of Silverbridge John that is saying more than you have a right to say said Mrs Walker Why mother this very cheque was given to a butcher who had threatened a few days before to post bills all about the county giving an account of the debt that was due to him if the money was not paid at once More shame for Mr Fletcher said Mary He has made a fortune as butcher in Silverbridge What has that to do with it Of course a man likes to have his money He had written three times to the bishop and he had sent a man over to Hoggstock to get his little bill settled six days running You see he got it at last Of course a tradesman must look for his money Mamma do you think that Mr Crawley stole the cheque Mary as she asked the question came and stood over her mother looking at her with anxious eyes I would rather give no opinion my dear But you must think something when everybody is talking about it mamma Of course my mother thinks he did said John going back to his book It is impossible that she should think otherwise

That is not fair John said Mrs Walker and I won t have you fabricate thoughts for me or put the expression of them into my mouth The whole affair is very painful and as your father is engaged in the inquiry I think that the less said about the matter in this house the better I am sure that that would be your father s feeling Of course I should say nothing about it before him said Mary I know that papa does not wish to have it talked about But how is one to help thinking about such a thing It would be so terrible for all of us who belong to the Church I do not see that at all said John Mr Crawley is not more than any other man just because he s a clergyman I hate all that kind of clap trap There are a lot of people here in Silverbridge who think the matter shouldn t be followed up just because the man is in a position which makes the crime more criminal in him than it would be in another But I feel sure that Mr Crawley has committed no crime at all said Mary My dear said Mrs Walker I have just said that I would rather you would not talk about it Papa will be in directly I won t mamma only Only yes just only said John She d go on till dinner if any one would stay to hear her You ve said twice as much as I have John But John had left the room before his sister s last words could reach him
