

The Atonement of Jesus Christ

"The Atonement is the sacrifice Jesus Christ made to help us overcome sin, adversity, and death. Jesus's atoning sacrifice took place in the Garden of Gethsemane and on the cross at Calvary. He paid the price for our sins, took upon Himself death, and was resurrected. The Atonement is the supreme expression of the love of Heavenly Father and Jesus Christ."

The Atonement Resurrection Of Jesus Christ:

The Atonement and Resurrection of Jesus Christ Leland S. Thomas, 2002-01-01 *The Atonement & Resurrection of Jesus Christ* Leland S. Thomas, 2002-01-01 *Atonement and the Logic of Resurrection in the Epistle to the Hebrews* David M. Moffitt, 2011-07-27 Hebrews appears to have little interest in Jesus resurrection Drawing on contemporary studies of Jewish sacrifice Jewish apocalyptic literature and fresh exegetical insights this volume argues that Jesus resurrection forms the conceptual center of Hebrews Christological and soteriological reflection *The Resurrection of Jesus Christ* W. Ross Hastings, 2022-02-08 The resurrection of Jesus Christ is one of the best attested facts of history But believing in the resurrection is one thing Knowing what it means is another Although much has been written about the apologetics of the resurrection little has been written about its theological meaning This book reveals the hidden depths of the theological significance and ongoing relevance of the resurrection of Jesus Christ for our being our salvation Christian life ethics and our future hope *The Self-revelation of Jesus Christ* John Kennedy, 1887 *Keeping the Promise* Andrew D. Parker, 1994-04 A nine session journey of faith that draws confirmands into the often untapped lay resources of the Church Includes guides for the mentor and the confirmand with creative exercises and a section for journal writing that add a personal dimension to the learning process **Risen Lord** Margaret Barker, 1996-10-01 Redraws the map of the New Testament and Christian origins confronting much of the scepticism of recent New Testament scholarship to offer a new understanding of Resurrection Christology atonement and parousia **Holy Word** J. Arthur Baird, 2002-06-01 J Arthur Baird is the author of several important books in New Testament studies his best known perhaps being his Audience Criticism and the Historical Jesus At his untimely death he left a nearly complete manuscript now published here In this timely and relevant manuscript Baird offers first a critical introduction to the historical paradigm pointing out its limitations in terms of tracing the paradigm of New Testament formation He then traces this development himself beginning with the starting point of the Holy Word and noting its development through the context theological interpretation and application to its manifestation in the apostles schools and fathers He concludes with comments on its current implications This book represents the last and lasting final thoughts of a scholar who was very much devoted to the importance of the Holy Word **Thomas F. Torrance** Paul D. Molnar, 2009 This book provides an important study of the theology of Thomas F Torrance who is generally considered to have been one of the most significant theologians writing in English during the twentieth century with a view toward showing how his theological method and all his major doctrinal views were shaped by his understanding of the doctrine of the Trinity Torrance pursued a theology that was realist because he attempted to think in accordance with the unique nature of the object that is known In holding to such a methodology he drew an analogy between theology and natural science This book demonstrates how for Torrance God relates with humanity within time and space so that creation finds its meaning in relation to God and not in itself this enabled him to avoid many theological pitfalls such as agnosticism subjectivism and

dualism while explaining the positive implications of various Christian doctrines in a penetrating and compelling manner This book offers an important resource for students of theology and for scholars who are interested in seeing how serious dogmatic theology shapes and should shape our understanding of the Christian life Popular Lectures on the Errors of the Roman Catholic Church Enoch Mather Marvin,1878 **The Quaker Doctrine of the Inward Light Vindicated** Charles Eadward Pratt,1874 **Flame of Love** Clark H.
