**An Autobiographical Fragment and Biographical Notes** Barry Cornwall,1877 (Barry Cornwall Pseud. ) An Autobiographical Fragment and Biographical Notes, with Personal Sketches of Contemporaries, Unpubl. Lyrics and Letters of Literary Friends Barry Cornwall,Bryan Waller Procter,1877 *Pastoral Letters ... With an autobiographical fragment, etc* John HOBBS (Minister of the Gospel.),1872 The Autobiography of Solomon Maimon Solomon Maimon,2020-03-03 The first complete and annotated English translation of Maimon's influential and delightfully entertaining memoir Solomon Maimon's autobiography has delighted readers for more than two hundred years from Goethe Schiller and George Eliot to Walter Benjamin and Hannah Arendt The American poet and critic Adam Kirsch has named it one of the most crucial Jewish books of modern times Here is the first complete and annotated English edition of this enduring and lively work Born into a down on its luck provincial Jewish family in 1753 Maimon quickly distinguished himself as a prodigy in learning Even as a young child he chafed at the constraints of his Talmudic education and rabbinical training He recounts how he sought stimulation in the Hasidic community and among students of the Kabbalah and offers rare and often wickedly funny accounts of both After a series of picaresque misadventures Maimon reached Berlin where he became part of the city's famed Jewish Enlightenment and achieved the philosophical education he so desperately wanted winning acclaim for being the sharpest of Kant's critics as Kant himself described him This new edition restores text cut from the abridged 1888 translation by J Clark Murray which has long been the only available English edition Paul Reitter's translation is brilliantly sensitive to the subtleties of Maimon's prose while providing a fluid rendering that contemporary readers will enjoy and is accompanied by an introduction and notes by Yitzhak Melamed and Abraham Socher that give invaluable insights into Maimon and his extraordinary life The book also features an afterword by Gideon Freudenthal that provides an authoritative overview of Maimon's contribution to modern philosophy **The Autobiography of a Language** Andrea Ciribuco,2019-01-01 The Autobiography of a Language is an exploration of the deep and powerful ties between language and identity focusing on an Italian American author and addressing global themes of modern writing This is the first extensive book length work on Emanuel Carnevali 1897 1942 the first Italian American to attain literary recognition It is a study on how an Italian immigrant to New York became an author and a key figure in transnational modernism but most importantly a study of contacts between American and Italian literatures in the modernist era and an exploration of the challenges of writing in a second language Carnevali's works are almost exclusively in English even though he spent only eight years in the United States before returning to Italy Combining literary analysis with some of the latest findings in applied linguistics and the study of bilingualism this book contributes to a very active debate in the fields of comparative literature and translation studies the implications of translingual writing Andrea Ciribuco considers both the linguistic and cultural aspects of writing in a second language examining its potential and pitfalls In bringing Carnevali's works in touch with the socio cultural
