This is a revised critical edition of philosopher and scientist Francesco Patrizi s manuscript *Il Delfino* overo del bacio c 1555 with an English translation and commentary *Il Delfino* or The Kiss survives in a single manuscript compiled by an assistant and interspersed with autograph corrections by Patrizi himself The only modern critical edition of the text edited by Danilo Aguzzi Barbagli 1975 is known to contain many errors that prevent a correct understanding of the work This book therefore fills this historiographical gap and at the same time provides a reliable text for further translations of Patrizi s work into other languages

In conclusion, the ability to download The Kiss has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for

students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms.
