*The Last Adventure of Constance Verity* A. Lee Martinez, 2022-01-20 Soon to be a major motion picture starring actress comedian Awkwafina *Crazy Rich Asians* *The Farewell* as Constance Verity the girl who's been saving the world since she was seven It all began at Constance Verity's seventh birthday party when she defeated a giant snake but really it was the fault of the magic wish granted to her at her birth She's now a master of exotic martial arts and a keen detective and she possesses a collection of strange artefacts mostly kept in unlabelled boxes in her apartment But Constance has spent the past twenty seven years saving the world and frankly she's sick of it She wants an office job and a normal boyfriend one who isn't going to get killed by who knows what and she's figured out the way to get them She's going to kill her fairy godmother After all it was Grandmother Willow who granted the wish and reset her life The problem is saving the world is Constance's destiny She's really good at it and there are forces at work to make sure she stays in the job Then again it's also her destiny to have a glorious death An ethnically diverse heroine great adventure pacing a witty sense of humour and some quality banter make this a delightful subversion of superhero tropes Booklist starred review Martinez delivers another witty fast paced fantasy The deadpan snark is nonstop and sure to keep readers giggling Library Journal
