Subcommittee on Energy,2006 *The Last Decathalon* John Redgate,1979 Decathlon Challenge Bruce Jenner,Caitlyn Jenner,Phillip Finch,1977 The gold medal winner in the 1976 Olympic decathlon competition describes the four years he spent in training The Decathlon Frank Zarnowski,1989 Zarnowski the world s foremost authority on the event has written a colourful and comprehensive account of the decathlon The book traces the heritage of the decathlon and includes the results of the 1988 Summer Games The book also includes profiles of 22 of the greatest decathletes *United States Academic Decathlon Curriculum* , *Decathlon* Ed Oleata,2020-06-08 This is a story of an Olympic decathlon competition through the eyes of one of the competitors It started with the athletes waiting in the staging room just before being led out to the track to start the first event Each event was described throughout the two day competition ending with the declared victor in the final event There were biographical sketches of the major competitors including the country they represented and how they got started in the event Different training styles and what the athletes think about during the competition were also discussed The book would be of special interest to track and field fans and competitors and anyone who would be interested in the decathlon its history and how to train for it **Decathlon and Pentathlon** Tom McNab,1978 **Brand management. Measuring the brand equity of Decathlon in Portugal** Benyi Heider,Daniela Martins,Ivana Cizmar,Miguel Loures,Rita Barakat,2017-03-23 Seminar paper from the year 2016 in the subject Business economics Business Management Corporate Governance grade 1 5 Cat lica Lisbon School of Business Portuguese economy is recovering This positive economic trend also influenced the sportswear industry which grew by 2% to a total market volume of 775 m EUR The clear industry leader with a market share of 24% is Nike Retail BV Nike managed to build up a really strong brand in Portugal over the past years One of the key success factors for the brand image has been using Cristiano Ronaldo the sports idol of Portuguese people as a brand ambassador In the shadow of Nike also the second force in the industry Adidas managed to grow by 6% in 2015 The prospects for the sportswear industry are optimistic Nike and Adidas are expected to stay the most popular brands with their technological innovations heavy marketing campaigns and focus on outstanding designs This report is neither about Nike nor about Adidas It is about a brand that is quite different but at the same time a direct competitor of those brands Decathlon Decathlon is acting in two major areas Sportswear and Sports equipment Regarding its strategy the size of the stores and the range of the product offer Decathlon differs a lot from Nike and Adidas But surprisingly Nike and Adidas are seen as the main direct competitors of Decathlon by Portuguese consumers In Portugal the brand is mostly perceived as a sportswear brand The second big section the sports equipment product offer seems not to

be a strong enough differentiator to position Decathlon in another direction Clearly for Decathlon with its different focus it is hard to compete with the leading brands in their strong area of sportswear The key could be in differentiating from these brands and focusing on different areas with more promising potential e g use the growing popularity of outdoor activities
