**The Last Viking** Don Hollway, 2021-09-02 The Last Viking is a masterful and pulse pounding narrative that transports the reader into the middle of the action Carl Gnam Military Heritage Harald Sigurdsson burst into history as a teenaged youth in a Viking battle from which he escaped with little more than his life and a thirst for vengeance But from these humble origins he became one of Norway s most legendary kings The Last Viking is a fast moving narrative account of the life of King Harald Hardrada as he journeyed across the medieval world from the frozen wastelands of the North to the glittering towers of Byzantium and the passions of the Holy Land until his warrior death on the battlefield in England Combining Norse sagas Byzantine accounts Anglo Saxon chronicles and even King Harald s own verse and prose into a single compelling story Don Hollway vividly depicts the violence and spectacle of the late Viking era and delves into the dramatic events that brought an end to almost three centuries of Norse conquest and expansion *The Last Viking Queen* Janelle Taylor, 2011-10-24 He saved her life and she gave him a throne Joined together by royal decree the Princess Alysa and her beloved Prince Gavin share a bond of power and passion that no man can tear asunder But when their kingdom on the enchanted isle of Britain is attacked Alysa mounts her noble steed and joins her warrior army against the northern invaders who would divide her peaceful realm Defiant and unafraid Alysa battles the barbaric Norsemen with a bold seductive plan that will sweep her into the arms of her most dangerous enemy before she can return to her land and the lover whose searing caresses will burn in her heart forevermore *The Last of the Vikings* Charles Young, 1895 *The Last Viking* Stephen R Bown, 2013-04-15 An intensely researched thoroughly enjoyable life of one of history s best explorers A superb biography of a fiercely driven explorer who traveled across the last inaccessible areas on earth before technical advances made the journey much easier Kirkus Reviews starred In the early 1900s many of the great geographical mysteries that had intrigued adventurers for centuries remained unsolved leaving some large blank areas on the increasingly detailed maps of the world Despite having claimed countless lives the polar regions the Northwest Passage the South Pole the North Pole and the Northeast Passage were still shrouded in mystery One man would claim all these prizes within a span of twenty years Roald Amundsen was an adventurer and entertainer of the highest order Larger than life arrogant and competitive he was also a meticulous organizer and planner willing to learn from the mistakes of others and humble enough to seek the advice of indigenous peoples skilled in arctic survival thus avoiding the early death that was so common among others who challenged the most desolate places on the planet But Amundsen s life was one of sharp contrasts reviled by the British for defeating Robert Falcon Scott in a desperate race to the South Pole he was loved by his men hailed as a hero in his native Norway and idolized as a charming and eccentric celebrity in the United States Drawing on hundreds of recently uncovered press clippings *The Last Viking* goes beyond Amundsen s conflicted legacy revealing a humorous self deprecating storyteller who had unusual opinions and dreams a visionary and showman who won over both his sponsors and his audiences with the same verve that characterized

his geographical conquests      Saga-book of the Viking Club ,1899      *The Last of the Vikings* Johan Bojer,2022-03-22
