Multiple Criteria Decision Making Günter Fandel, Tomas Gal, 2012-12-06 The organizers of the 12th International Conference on Multiple Criteria Decision Making MCDM held June 19-23 1995 in Hagen received the second time the opportunity to prepare an international conference on MCDM in Germany the first opportunity has been the 3rd International Conference on MCDM in Konigswinter 1979 Quite a time ellapsed since then and therefore it might be interesting to compare some indicators of the development of the International Society on MCDM which has been founded in Konigswinter Stanley Zonts has been elected first president and all 44 participants of that Conference became founding members Today our Society has over 1200 members and its own Journal MCDM World Scan In Hagen 1996 we had 152 participants from 34 countries It is interesting to mention that also other Groups established their organization like the European Working Group on Multiple Criteria Decision Aid the German Working Group on Decision Theory and Applications the Multi Objective Programming and Goal Programming Group ESIGMA and some others It is also interesting to note that the intersection of members of all these Groups and Societies is not empty and there is quite a cooperation among them Signed, Sealed, Delivered, 2014-04-01 An all in one volume sharing the history practice and viewpoints of Confirmation in the Episcopal Church and the first book on the subject for at least 15 years Resolutions regarding Confirmation are coming to the 2015 General Convention Includes questions for reflection and study by individuals and groups Many clergy and educators would say that the rite of Confirmation in the Episcopal Church today is a sacrament in search of a meaning Some believe Confirmation is an essential rite of passage for adult leadership in the governance of the church Some believe it is a rite that no longer has a place in the life of the church understanding the importance that Baptism now holds in the 1979 Book of Common Prayer's ecclesiology Following a history of how the rite of Confirmation came about and its implications for youth and adults in the church today voices in the Episcopal Church bishops liturgical scholars confirmation leaders and youth themselves offer fresh viewpoints here in a conversational format to engage the reader
