extraordinary book and with his clients is to create an attitude and a mindset about all aspects of a golfer's game from mental preparation to competition. The most wonderful aspect of it all is that it is done in a conversational fashion in a dynamic blend of anecdote and lesson. And as some of the world's greatest golfers will attest the results are spectacular. Golfers will improve their golf game and have more fun playing. Some of Rotella's maxims include: On the first tee a golfer must expect only two things of himself to have fun and to focus his mind properly on every shot. Golfers must learn to love the challenge when they hit a ball into the rough, trees or sand. The alternatives anger, fear, whining and cheating do no good. Confidence is crucial to good golf. Confidence is simply the aggregate of the thoughts you have about yourself. It is more important to be decisive than to be correct when preparing to play any golf shot or putt. Filled with delightful and insightful stories about golf and the golfers Rotella works with, *Golf Is Not a Game of Perfect* will improve the game of even the most casual weekend player.
