We've already narrowed the challenge for you by concentrating on only The Magic Kingdom the most popular of the Disney resort parks with its Main Street Adventureland Tomorrowland Fantasyland Frontierland Liberty Square and Mickey's Toontown Fair. We will show you how to use this book with its maps, descriptions, notations of appropriate age ranges and tips and various Web sites too as interactive tools to educate you and the kids about every aspect of every ride, attraction and restaurant. You start with Chapter 0 Overview of Magic Kingdom Theme Park where we provide adult information about the Disney Theme Parks and the entertainment information at Chapter 1 with an Introduction to Main Street U.S.A. Then we want everyone to make wise I-wanna choices and enjoy collaborating to 1 Create a Scrapbook of Anticipations now that becomes a take along picture guide to what each person anticipates doing each day in The Magic Kingdom. Find related pictures in the book or visit Web sites listed in the Appendix. Decide what rides and entertainment they want to enjoy and when. Cut out tape the pictures chosen of attractions and restaurants into the allotted space. If you keep this book in a reachable location for the kids you will find them looking through the pictures they have placed in the book and changing their mind as to which attraction will be first on their list. This is part of the anticipation 2 Make a Keepsake Photo Album later that captures all of your favorite memories and moments after you get home. Replace the taped pictures with personal photos of family members' childhood glee or horror as they experienced various rides, entertainment, tours or meals. Share the album with family and friends and keep it as a treasured family Magical Memory. Authors Bruce Moran grew up 50 miles north of Walt Disney World.
