The Message Of Revelation:

The Message of the Book of Revelation Charles T. Chapman, 1995 Perhaps no book in the history of the world has been as misunderstood and misappropriated as the Book of Revelation Those people versed in the methods of scholarly interpretation exegesis may understand the symbolism of this work but what about the general reader How is he or she to know whether this book is being soundly interpreted or misinterpreted Father Chapman writes for the general reader for the many who need to understand the truth of The Message of the Book of Revelation both its historical message and its message for Christians today He explains phrase by phrase in clear direct terms what has been learned about the genre of writings called apocalyptic literature of which Revelation is a part and how that knowledge can be properly used to interpret the images and symbols of Revelation Faithful to the teaching of the Church this explanation of Revelation reveals this biblical book to be an inspiring hope filled poetic portrayal of the triumph of Christ and his followers over the powers of evil The Rev Charles T Chapman Jr was raised and educated as a Southern Baptist He joined the Episcopal Church in 1980 and was ordained priest in 1987 He holds degrees from Union University and The Southern Baptist Theological Seminary with further training at the Episcopal Theological Seminary of the Southwest With Bible teaching and writing among his principle interests Fr Chapman offers this commentary in the hopes that reason and scholarship can shed light on a biblical work where baseless extravagant imagination has long cast its shadow

I Saw Heaven Opened Michael Wilcock, 1975 What is the book of Revelation Does it describe in veiled language events of its writer s own day or is it largely a prophecy of events still to come Is it a chart of the whole of history from Christ s first coming to his second Or does it deal chiefly with principles which are always valid in Christian experience And what is a twentieth century reader to do with creatures covered with eyes locusts like horses seven bowls of wrath war in heaven various beasts and a dragon Michael Wilcock maintains tha when God s words declarations arguments and reasonings had all been spoken God gave the church a gorgeous picture book Wilcock lifts the curtain on Revelation s drama in eight scenes helping our imaginations as well as our minds grasp the key concepts of this fascinating and enigmatic New Testament book

The Message of Revelation Michael Wilcock, 1984-08-13 The vivid and often confusing imagery in the book of Revelation has elicited much discussion both in the church and outside of the faith

community Michael Wilcock explains the concepts and images which are important for understanding Revelation

Onward to Victory Pieter Kriel,2015-08-31 Apart from a few well known passages the book of Revelation is a mystery to most Christians The terrible images that are used are difficult to understand and the little we do understand seems to present a picture of doom and gloom However the book of Revelation was written to comfort the persecuted believers who were facing daily onslaughts by the forces of evil It has a powerful message for the believers of all ages including todays believers If you can get past all the seemingly incomprehensible imagery and unlock the code you will find that its message is an integral part of the message that we find in the rest of the Bible In fact it is like the tip of the spear Most of the important themes in the Bible as a whole find their fulfillment in the book of Revelation The purpose of this book is not to give some radical new interpretation of the book of Revelation It is to remain faithful to the message of the Bible as a whole while opening this wonderful but often misunderstood part of Gods Word for todays believers This book will help you not only to understand the message of Revelation but also to apply it to your own life This will help you to persevere through difficulties and persecution until the victory of Christ is fully enforced in all of creation A study guide is included so that you can also use the book for group Bible study *Revelations from Revelation* Patrick M. Jones,2008-03 Like a jewel box filled with bright jewels and rare coins this book is a collection of the clearest views and brightest nuggets of light from many Second Advent writers concerning the precious prophecies of the Revelation of Jesus Christ Inside you will find the most amazing thought revelations the most beautiful jewels of truth you would never have thought of before Listen as the harmonious voices of many Second Advent authors make clear Revelation s fascinating lines of prophecies Follow the footsteps of God s leading in the past present and future If there was ever a book that should be and is studied today it is the book of Revelation In fact God has pronounced a blessing on those who hear read and keep the words of Revelation May this book be a springboard to still greater light for you

Murphy,2014-10-10 Imagine what your Christian development would be like if you grasped the true character of God you were captivated by appreciation of and love for God s Word you were not frightened away by the haunted house of Revelation you appreciated how the early church s experience influenced the message of Revelation you understood how various viewpoints on Revelation developed over time you enjoyed a perspective which prevents tunnel vision you understood viewpoints about which you were previously unaware you esteemed fellow believers who have different understandings of Revelation you appreciated how the meaning of Jesus sacrifice is pictured in Revelation you practiced the message of Revelation in everyday life you were strengthened by an unshakable faith in God your faith was heartfelt and growing rather than formal or ritualistic you were strong enough to stand firm in the face of any and all spiritual opposition you were known for your moral and spiritual purity you were able to resist the seductions of our culture you demonstrated the sacrificial style of Jesus rather than the self serving style of society you enjoyed the blessings of those who keep the words of Revelation s message your anticipation of Jesus return rose above a distracting concern with earthquakes wars and developing social events you appreciated your present and future spiritual realities you were eager rather than fearful about the future you enjoyed the depths of the relationship toward which God is moving us **The Message from Patmos** David S.
