**Divine Healing: The Years of Expansion, 1906-1930** James Robinson,2014-05-07

In the present volume James Robinson completes his trilogy which deals with the history of divine healing in the period 1906-1930 The first volume is a study of the years 1830-1890 and was hailed as a standard reference for years to come The second book covers the years 1890-1906 and was acclaimed as a monumental achievement that combines careful historical scholarship and a high degree of accessibility This volume completes the study up to the early 1930s and like the other two works has a transatlantic frame of reference Though the book gives prominence to the theology and practice of divine healing in early Pentecostalism it also discusses two other models of healing the therapeutic and sacramental promoted within sections of British and American Anglicanism Some otherwise rigorous Fundamentalists were also prepared to practice divine healing The text contributes more widely to medical and sociocultural histories exemplified in the rise of psychotherapy and the cultural shift referred to as the Jazz Age of the 1920s The book concludes by discussing the major role that divine healing plays in the present rapid growth of global Christianity

Sickness Affliction No one is exempt In some manner these will touch our lives either personally or in someone we know When

sickness and affliction occurs we have questions such as Why is this happening God Are You angry with me Have I done

something wrong Are You going to heal me If I'm not healed does it mean You don't love me or care about me How much

faith do I need before I'm healed Isn't it Your will that everyone is healed Did Satan cause my sickness Did I cause this

problem This book is what you need if you have been looking for answers to these questions Has God changed Does God

cause sickness and pain in anyone Is it ever God's will to not heal Is lack of healing due to lack of faith Does everyone

honestly want to be healed Can we prevent our healing Should we claim to be healed if it is apparent we are not Were the

stripes Christ suffered meant for our physical healing or were they meant for our spiritual healing Is anointing the sick with

oil important What is the most important healing The truths in this book are long overdue It is time that false teachings are

exposed and Biblical truths are presented Personal opinions and biased answers are not what the sick and afflicted need

They need Biblical answers and they will find the answers in this book
