the two develop continues to strengthen and grow as they traveled and Hopeful was kept busy trying to keep everything in order It is an adventurous comical and moving story that will share its fears dreams and joys that we find in a unique everyday kind of life setting The adventure takes the travelers to many unusual places where they encounter a variety of characters that ultimately lead our friends to Safe Harbor and some answers Does Jin get the answer of why the twins don't have names that fit Experience the journey and enjoy the suspense and In Time You Too Will Know A delightful reading for both young and old and everyone in between *Walking in His Ways* Greg Hinnant,2001-02 Discover the ways of the Lord that will bring you into His abundant life *Walking in His Ways* sets forth the essential principles for true biblical discipleship

Are We There Yet? A Common Sense Guide To End Times Scriptures Michael Reed,2017-08-25 The subject of the return of Jesus has fueled speculation ever since He left When is He coming Will we know when He is about to return Are the things happening in our world today signs of the times What does the book of Revelation say about the return of Jesus And what about the nation of Israel What role do they play in end times scenarios Mike Reed attempts to address these and other questions about Christ's return in this book For the average person and even for those who have studied the topic for awhile the subject of Christ's return can be overwhelming In this book the author will attempt to guide the reader into an understanding of the return of Christ first based upon what Jesus said about it and then looking at what the apostles and prophets have said The basis for the confusion on the subject is because most authors have not followed that sequence This is a book written for laymen It attempts to utilize good scholarship but it is written for the nonacademic follower of Jesus who wants to understand what our Lord said about this most important topic The book is also written with the desire to be a good example of how to utilize sound and time honored methods of interpretation which can be applied to any topic of scripture

Biblical Revolution Evolution Series Michael Stansfield,2020-02-13 As primitive civilization developed society has established cornerstones in our thought and reasoning Things we are told repeatedly as fact from birth and are thus believed instinctively Many of these cornerstones now date back many millennia such as the Bible The BER Series takes a candid look into the Bible to explore how the theological beliefs within Institutional Religion have affected society in diabolical ways These books also challenge the church's theological cornerstones to prove that they deviate from the Bible and truly have an obscured understanding of the Divine Thus the goal is to bring an overdue debate to organized religion The hope is to

remove the barriers that deny humanity the evolution of our species No topic is out of bounds A person could listen to ten lifetimes of sermons and never get even a fraction of the candor of these books Love them or hate them you will be unable to put them down and you will never see the World or the Divine the same way again
