Teaching Children About Human Sexuality:

UNDERSTANDING HUMAN SEXUALITY ESPHAN NG'ANG'A,2009-07-31 Though sexuality is an important subject matter that should be taught in homes and in the church it has been neglected and treated as inconsequential Young and old alike look at sex as a taboo The church and the home should be the most appropriate forums where sexuality could be openly discussed but to the contrary the message we have received from the church and the home is that sex is unholy and shouldn't be discussed These key institutions have little or nothing to discuss about sex This is especially tragic because the believers who have faith in God who created sex and established its proper parameters should be able to speak more intelligibly and confidently about sex than anyone else Yet the community of believers is silent in the public forum in matters relating to sexuality whether because of embarrassment confusion timidity or a sense that the subject of sex is either too personal or not sufficiently spiritual for church to address publicly Mr Ng ang a has addressed this subject openly and with ardent scriptural instruction Understanding Human Sexuality is helpful to married couples and curious young people who have many questions about sex It is also an instruction manual for parents in guiding their curious children on the subject *Human Sexuality*

Ami Rokach,Karishma Patel,2021-01-22 Human sexuality touches us all pun intended We all either enjoy it struggle with it or may have been victims of it Sexuality is not just about sex but about human sexual function the physiology of sex the hormones involved and how they affect us and the cultural norms related to it Sexual function and dysfunction are closely tied to one's self esteem self respect and to relationships with intimate partners Human Sexuality Function Dysfunction Paraphilic and Relationships explores the interplay of intimacy and sexuality how it can enhance relationships and how it can negatively affect them or be affected by them When individuals or partners encounter sexual problems or dysfunctions it can have a long lasting affect both biologically and psychologically Dr Rokach explores the causes and the reasons that these dysfunctions are maintained and successful treatment methods Chapters on sexual offenses and paraphilic and what treatment options are available to sexual offenders are also included This book is the first book to place sexuality where it belongs within the context of relationships demonstrating how sexuality relates to intimacy by both enhancing and negatively affecting it Explains psychological biological and sociological theories of sexuality Addresses sexual dysfunctions according to various models of sex therapy Discusses the biological developmental and sociological theories of sexual orientation Explores the specific hormones in male and female sexual behavior **Ebook: Understanding Human Sexuality** Hyde;

DeLamater,2016-04-16 Ebook Understanding Human Sexuality **Exploring the Dimensions of Human Sexuality**

Jerrold Greenberg,Clint Bruess,Sarah Conklin,2010-03-10 Exploring the Dimensions of Human Sexuality Fourth Edition addresses all aspects of sexuality biological spiritual psychological and sociocultural and presents the information both factually and impartially Throughout the text students will find an emphasis on health and well being based on the assumption that we are all sexual beings and that sexuality should be viewed in its totality Students are encouraged to

explore the varied dimensions of human sexuality and see how each affects their own personal sexuality sexual health and sexual responsibility **With Pleasure : Thoughts on the Nature of Human Sexuality** Paul R. Abramson Professor of Psychology, Los Angeles Steven D. Pinkerton Post-doctoral Fellow both of the University of California, 1995-11-09 Challenging everything from the mandates of the Catholic Church to the hotly debated ethics of pornography and from the controversy surrounding gay rights to issues of gender and feminism With Pleasure explores a new theory of human sexuality that ignites every hot topic in the public domain What role authors Paul Abramson and Steven Pinkerton ask does sexual pleasure play in our lives Is the pursuit of sexual enjoyment in our blood Our brains Our very nature Regardless of the source it can be agreed that the joys of sex are widely appreciated Why then is pleasure so often overlooked in discussions of sexual behavior and why do cultural historical and religious treatises so often fail to emphasize or outright ignore this obvious aspect of human sexuality Responding to these and many other questions about our most private affairs With Pleasure provides a profoundly original challenge to the cherished truisms of human sexuality Abramson and Pinkerton proclaim the paramount importance of pleasure while at the same time overthrowing traditional ideas about gender pornography contraception homosexuality abortion and much more Supported by rigorous research and co written by one of the foremost authorities on sex With Pleasure argues that human sexuality cannot be understood if its significance is limited to reproduction alone The authors posit that in humans reproduction itself occurs as a byproduct of pleasure not the other way around and that it is the strong drive for pleasure that makes people overcome many obstacles and even life threatening dangers such as AIDS to have sex Ranging from discussions about the church to current debates about pornography and from evolutionary theory to questions about the future of sex and pleasure Abramson and Pinkerton argue persuasively that the pleasurability of sex cannot be restricted to purely reproductive behavior With Pleasure advances a startling and original new theory about human sexuality one which the authors believe will replace all existing notions about sex The book standing in direct and deliberate opposition to traditions that try to confine sexuality to procreation is sure to ignite a firestorm of controversy

Humanity and Human Sexuality: The Origin and Nature of Sexual Preference Kevin Franklin, 2024-03-28 In **Humanity and Human Sexuality The Origin and Nature of Sexual Preference** Dr Kevin Franklin embarks on an extraordinary exploration of the human being of mind and their potential Delving deep into themes of confusion and disorder he unveils how a trickster mind can hinder an individual's true potential for life and freedom Drawing from his own profound experiences of childhood psychosis which once seemed to destine him for a life overshadowed by schizophrenia and the threat of early suicide Dr Franklin defies expectations This book ventures beyond traditional boundaries to examine the metaphysical aspects of psychological order offering a unique perspective on the often misunderstood concepts of societal and psychological disorders Dr Franklin's insights extend into a scientific demonstration of the innate origins and nature of both heterosexual and homosexual preferences **Humanity and Human Sexuality The Origin and Nature of Sexual Preference** illuminates various

fields Philosophy Religion History Science Society and Psychology offering a revolutionary viewpoint on these disciplines It challenges long held beliefs and misconceptions particularly in the realms of sexual identity the gender and transgender discussion and the complex relationship between religion and science Structured in two parts the book first deconstructs the mythology of sexual identity before reconstructing a comprehensive understanding of human sexuality It seeks to resolve some of humanity's most pressing issues the lack of human compassion the intricacies of gender identity and the historical tensions between religious beliefs and scientific understanding This book is an essential read for anyone seeking a deeper understanding of the origins and nature of sexual preference and identity and the broader implications for society
