Teamwork makes the dreamwork by John Maxwell The concept to this book is a warm approach to the idea of Only by working in a team will you fulfill your dreams The focus of the book is on realizing one s dreams achieving those goals by working in teams Teams come in every shape and size spouses in a marriage colleagues at work volunteers together for a good cause It takes teamwork to make the dream work **RULE #1 Teamwork Makes The Dream Work** William Capers,Archie Jefferson,2018-11-22 Rule 1 Teamwork Makes The Dream Work is a phrase you ve probably heard before but sometimes it s elusive If you ve ever worked in a team that really clicks you ll know how true it is A high functioning team can achieve incredible results not just incrementally better but perhaps 10x those of an average team But more than that an extraordinary team is a pleasure to work with these team use traits that mediocre teams don t use Who wouldn t want to work with a dream team like that The formula is simple Behind every successful organization is the team of people who made it happen Yes teamwork makes the dream work but there s more to it than just throwing together a group of people and hoping for the best Teams need structures around it backed up by strong leadership to get it performing at high levels But equally any team member can implement many of these traits listed in this book You are only as good as your weakest teammate So remember Rule 1 Teamwork Make The Dream Work **STUDY SKILLS: SHAPING YOUR FUTURE** ASST.
