Tearjerker A Novel:

Tearjerker Daniel Hayes,2004-10 After failing as a writer Evan Ulmer kidnaps a famous editor and imprisons him in a basement where he shares his frustrations with his captive while a tabloid style explanation for the disappearance plays out on the television screen nearby *Things I Want My Daughters to Know* Elizabeth Noble,2009-03-17 How do you cope in a world without your mother When Barbara realizes time is running out she writes letters to her four daughters aware that they ll be facing the trials and triumphs of life without her at their side But how can she leave them when they still have so much growing up to do Take Lisa in her midthirties but incapable of making a commitment or Jennifer trapped in a stale marriage and buttoned up so tight she could burst Twentysomething Amanda the traveler has always distanced herself from the rest of the family and then there s Hannah a teenage girl on the verge of womanhood about to be parted from the mother she adores But by drawing on the wisdom in Barbara s letters the girls might just find a way to cope with their loss And in coming to terms with their bereavement can they also set themselves free to enjoy their lives with all the passion and love each deserves This heartfelt novel by bestselling author Elizabeth Noble celebrates family friends and the glorious endless possibilities of life From Continuity to Contiguity Dan Miron,2010-07-19 Dan Miron widely recognized as one of the world s leading experts on modern Jewish literatures begins this study by surveying and critiquing previous attempts to define a common denominator unifying the various modern Jewish literatures He argues that these prior efforts have all been trapped by the need to see these literatures as a continuum Miron seeks to break through this impasse by acknowledging discontinuity as the staple characteristic of modern Jewish writing These literatures instead form a complex of independent yet touching components related through contiguity From Continuity to Contiguity offers original insights into modern Hebrew Yiddish and other Jewish literatures including a new interpretation of Franz Kafka s place within them and discussions of Sholem Aleichem Sh Y Abramovitsh Akhad ha am M Y Berditshevsky Kh N Bialik and Y L Peretz

Curing Cancerphobia David Ropeik,2023-11-28 This book provides a unique look at the historical and psychologic roots of cancerphobia leveraging deep examinations of specific examples of how this fear can lead to certain behaviors *In Defense of Sentimentality* Robert C. Solomon,2004-08-26 Philosophy has as much to do with feelings as it does with thoughts and thinking Philosophy accordingly requires not only emotional sensitivity but an understanding of the emotions not as curious but marginal psychological phenomena but as the very substance of life In this the second book in a series devoted to his work on the emotions Robert Solomon presents a defense of the emotions and of sentimentality against the background of what he perceives as a long history of abuse in philosophy and social thought and art and literary criticism The title piece reopens a classic debate about the role of sentimentality in art and literature In subsequent chapters Solomon discusses not only such moral sentiments as sympathy and compassion but also grief gratitude love horror and even vengeance He also defends with appropriate caution the seven deadly sins The emotions at least some emotions are essential to a well lived life
