## **Teasing Secrets From The Dead:**

**Teasing Secrets from the Dead** Emily Craig, Ph.D.,2004-08-31 Teasing Secrets from the Dead is a front lines story of crime scene investigation at some of the most infamous sites in recent history In this absorbing surprising and undeniably compelling book forensics expert Emily Craig tells her own story of a life spent teasing secrets from the dead Emily Craig has been a witness to history helping to seek justice for thousands of murder victims both famous and unknown It s a personal story that you won t soon forget Emily first became intrigued by forensics work when as a respected medical illustrator she was called in by the local police to create a model of a murder victim s face Her fascination with that case led to a dramatic midlife career change She would go back to school to become a forensic anthropologist and one of the most respected and best known bone hunters in the nation As a student working with the FBI in Waco Emily helped uncover definitive proof that many of the Branch Davidians had been shot to death before the fire including their leader David Koresh whose bullet pierced skull she reconstructed with her own hands Upon graduation Emily landed a prestigious full time job as forensic anthropologist for the Commonwealth of Kentucky a state with an alarmingly high murder rate and thousands of square miles of rural backcountry where bodies are dumped and discovered on a regular basis But even with her work there Emily has been regularly called to investigations across the country including the site of the terrorist attack on the Murrah Building in Oklahoma City where a mysterious body part a dismembered leg was found at the scene and did not match any of the known victims Through careful scientific analysis Emily was able to help identify the leg s owner a pivotal piece of evidence that helped convict Timothy McVeigh In September 2001 Emily received a phone call summoning her to New York City where she directed the night shift triage at the World Trade Center s body identification site collaborating with forensics experts from all over the country to collect and identify the remains of September 11 victims From the biggest news stories of our time to stranger than true local mysteries these are unforgettable stories from the case files of Emily Craig s remarkable career

**Teasing Secrets from the Dead** Emily A. Craig,2004 A forensic anthropologist journeys to infamous crime scenes to describe her work on such cases as the Oklahoma City bombing the World Trade Center disaster and the Branch Davidian complex at Waco Texas *Clues in Corpses* Sophie Washburne,2017-12-15 When human remains are found at a crime scene forensic anthropologists examine them to determine the time and cause of death as well as the identity of the victim How do they know the answers to these questions Body farms are facilities where specialists can study the ways bodies decompose under different conditions which helps forensic anthropologists solve crimes more effectively Informative fact boxes full color photographs and engaging sidebars offer a closer look at these little known research facilities Readers are sure to be captivated by stories of farms unlike any they have ever heard of before **Body Farms** Diane Yancey,2009-07-17 Body farms are anthropological research centers dedicated to the study of decomposition Knowing rates and conditions of decomposition helps solve several details on homicide cases This book details the tools and techniques used by scientists who

work on body farms Students will learn how forensic study unravels the clues in the tiniest bits of evidence Sidebars offer step by step explanations of scientific and legal processes An annotated bibliography of age appropriate resources is included
