## **Teachings Drawn From African American Spirituals:**

**The Teachings** Aminah Brenda Lynn Robinson, 1992 Spirituals have inspired and illuminated the lives of generations of Americans. Invented, edited, and transformed by those who sang them, spirituals are a source of pride and of cultural knowledge, strengthening, heartening, and informing. Artist Aminah Brenda Lynn Robinson, having drawn courage and wisdom from these songs all her life, here presents the images they evoke in her art. She incorporates texts into the art, some from a little book of spirituals that was given to her when she was nine years old, some from a lifetime of just hearing songs. Aminah has remembered these songs, adding to them, rearranging them, interpreting them. In this collection of striking drawings, she passes on to the children of the future the teachings, the lessons of the past, the lessons of the spirituals as she has understood them. **BOOK JACKET Title Summary** field provided by Blackwell North America Inc. **Spirituals** Kathleen A. Abromeit, 2015-01-01 Spirituals originated among enslaved Africans in America during the colonial era. They resonate throughout African American history from that time to the civil rights movement, from the cotton fields to the concert stage, and influenced everything from gospel music to blues and rap. They have offered solace in times of suffering, served as clandestine signals on the Underground Railroad, and been a source of celebration and religious inspiration. Spirituals are born from the womb of African American experience yet they transcend national, disciplinary, and linguistic boundaries as they connect music, theology, literature, and poetry, history, society, and education. In doing so, they reach every aspect of human experience. To make sense of the immense impact spirituals have made on music, culture, and society, this bibliography cites writings from a multidisciplinary perspective. This annotated bibliography documents articles, books, and dissertations published since 1902. Of those, 150 are books, 80 are chapters within books, 615 are journal articles, and 150 are dissertations, along with a selection of highly significant items published before 1920. The most recent publications included date from early 2014. Disciplines researched include music, literature, and poetry, American history, religion, and African American Studies. Items included in the annotated bibliography are limited to English language sources that were published in the United States and focus on African American spirituals in the United States, but there are a few select citations that focus on spirituals outside of the United States. Of the one thousand annotations, they are divided roughly evenly between general studies and geographical studies. Information about early spirituals, use of spirituals in art, music, church music, and popular music, composers who based music on spirituals, performers of spirituals, ensembles, and individuals, Bible, theology, and religious education, literature, and poetry, pedagogical considerations including the teaching of spirituals, as well as prominent educators, reference works, and a list of resources that were unavailable for review but are potentially useful. This book also offers considerable depth on particular topics such as the Fisk Jubilee Singers and William Grant Still, with over thirty citations devoted to each. At the same time, materials included are quite diverse, with topics such as spirituals in Zora Neale Hurston's novels, Bible studies based on spirituals, enriching the teaching of geography through spirituals.

Marian Anderson's historic concert at the Lincoln Memorial spiritual roots of rap teaching dialect to singers expressing African American religion in spirituals Samuel Coleridge Taylor's music slave tradition of singing among the Gullah The book contains indices by author subject and spiritual title Additionally an appendix of spirituals by biblical reference listing both spiritual title to scriptural reference as well as scripture to spiritual title is included T L Collins Christian educator compiled the appendix
