Steam Pigs:

Writing the Everyday Andrew McCann, 1998 No Marketing Blurb **Steam Pigs** Melissa Lucashenko, 1997 A racy thoughtful tale of love and abuse survival and triumph **Exploring Suburbia** Nathanael O'Reilly, 2012 Exploring Suburbia is the first book length study of suburbia in Australian literature it addresses a long neglected and underexamined area within Australian literature and analyzes novels by some of Australia's most important writers from a new perspective in addition to examining novels previously neglected by critics This book provides new insights and perspectives on fourteen Australian novels several of which are canonical works that have been analyzed extensively by other scholars This study will lead to a reassessment of the novels and authors under discussion and prompt further research into suburbia in Australian literature It demonstrates that the authors who have explored suburbia since 1961 have already moved Australian literature in a new direction away from the traditional focus on the bush and the city demonstrating that the literal and theoretical space between the city and the bush contains the most interesting and important engagements with contemporary Australian culture Exploring Suburbia is an important addition for collections in literature It will also be an excellent textbook for professors teaching courses on space and culture in literature It will also of course be an essential read for courses in Australian and international literature

The Cambridge Companion to Australian Literature Elizabeth Webby, 2000-08-21 An indispensable reference for the study of Australian literature *Suburban Space, the Novel and Australian Modernity* Brigid Rooney, 2018-11-15 Suburban Space the Novel and Australian Modernity investigates the interaction between suburbs and suburbia in a century long series of Australian novels It puts the often trenchantly anti suburban rhetoric of fiction in dialogue with its evocative and imaginative rendering of suburban place and time Suburban Space the Novel and Australian Modernity rethinks existing cultural debates about suburbia in Australia and elsewhere by putting novelistic representations of suburbs suburban interiors homes streets forms and lives over time in dialogue with the often negative idea of suburbia in fiction as an amnesic and conformist cultural wasteland Suburban space the novel and Australian modernity shows in other words how Australian novels dramatize the collision between the sensory terrain of the remembered suburb and the cultural critique of suburbia It is through such contradictions that novels create resonant mental maps of place and time Australian novels are a prism through which suburbs as sites of everyday colonization defined by successive waves of urban development are able to be glimpsed sidelong

Giving this Country a Memory: Contemporary Aboriginal Voices of Australia Anne Brewster, 2015-10-28 Aboriginal literature is a growing field with a rapidly expanding global audience The book represents a range of writers it includes highly acclaimed Aboriginal writers whose works are widely recognised Kim Scott Doris Pilkington Gajimara Melissa Lucashenko and other writers whose works are on the ascendancy Romaine Moreton and Jeanine Leane This book contributes to the understanding of Aboriginal literature and of how these writers developed as writers See www.cambriapress.com/books/9781604979114.cfm for reviews
