**Super Strength/Unlimited Power** Robert Leavitt, 2005-08 Thoughts from Heavy Leavy Super Strength Unlimited Power Begin training under conditions where we receive an ounce or two of additional fabricated gravitational force each day Place your body in a perpetual daily anticipation accommodation mode The very need or desire to have gains and increases manifested as quickly as possible is actually one of the things that keep us from the very development we seek The magnification and aligning assemblage of these three potentials body mind and spirit positions us within grasp of unlimited power The ceiling is off the limitations and boundaries obstructing perpetual unceasing physical prowess have been decimated The time has come when men and women everywhere will begin comfortably adapting to a more difficult mock environment thus intensifying the ease comfort and enjoyment of their lives in reality It doesn't matter what your game is you can do it better with amplified vigor strength power endurance comfort grace enjoying enhanced safety and with greater ease having constructed a foundation of super strength It's like working out harder and harder without having to work out harder and harder For equipment information go to [www.heavyleavy.com](http://www.heavyleavy.com)
