## **Supervision And Evaluation:**

**Principals Improving Instruction** Michael F. DiPaola, Wayne K. Hoy, 2012-10-31 This book integrates supervision evaluation and professional development for principals. It offers a hands on approach with theory and research providing observation tools and exercises to improve practice. It emphasizes data collection and feedback to help principals and teachers identify growth areas.

**Rethinking Teacher Supervision and Evaluation** Kim Marshall, 2009-10-30 In this important book education expert Kim Marshall shows how to break away from the typical and often ineffective evaluation approaches in which principals use infrequent classroom visits or rely on standardized test scores to assess a teacher's performance. Marshall proposes a broader framework for supervision and evaluation that enlists teachers in improving the performance of all students. Emphasizing trust building and teamwork Marshall's innovative four part framework shifts the focus from periodically evaluating teaching to continuously analyzing learning. This book offers school principals a guide for implementing Marshall's framework and shows how to make frequent informal classroom visits followed by candid feedback to each teacher work with teacher teams to plan thoughtful curriculum units rather than focusing on individual lessons. Get teachers as teams involved in low stakes analysis of interim assessment results to fine tune their teaching and help struggling students and use compact rubrics for summative teacher evaluation. This vital resource also includes extensive tools and advice for managing time as well as ideas for using supervision and evaluation practices to foster teacher professional development.

**Supervision for Learning** James M. Aseltine, Judith O. Faryniarz, Anthony J. Rigazio-DiGilio, 2006-05-15 Provides information on how to transform a supervisory system into a performance based model that connects to student achievement and teacher professional development.

**Instructional Supervision** Sally J. Zepeda, 2011-01-11 First published in 2012 Routledge is an imprint of Taylor Francis an informa company.

**Teacher Supervision and Evaluation** James Nolan, Jr., Linda A. Hoover, 2011-08-24 Teacher Supervision and Evaluation 3rd Edition equips teachers with the knowledge and skills needed to transform both supervision and evaluation into a powerful vehicle for maximizing growth and enhancing student learning. New and re conceptualised content has been integrated throughout the pages. New case studies examples and vignettes have been included to offer the most up to date information. Additional pedagogical tools have been added to help build understanding including skill and concept development exercises, discussion questions and theory into practice applications. This practical approach enables teachers to gain a new perspective on their classroom experience.

*Teacher Self-Supervision: Why Teacher Evaluation Has Failed and What We Can Do About it* William Powell,2015-11-08

Many perhaps even most schools are not reaching their potential to be places of collective learning The authors believe that one of the greatest impediments to realizing this vision is the deleterious effect of traditional systems of teacher evaluation Rather than infantilizing teachers we need to empower them Traditional forms of teacher evaluation have failed They are riddled with negative expectations about teachers and what motivates them Taken together these underlying assumptions form a pernicious cloud of counterproductive expectations that many teachers will live down to Inadvertently the traditional system of teacher evaluation has created a vicious cycle of self sealing logic It is now time for teachers to reclaim their profession the process of which involves a relentless focus on adult learning professional learning that is self directed The more dynamic and stimulating the culture of adult learning the more dynamic and stimulating student learning will be
