The Magic Cellar, Pigs and Elves Colene Copeland,1995-01-01 **Magic Cellar** Colene Copeland,1995-05-01 **Fairy Tales and the Art of Subversion** Jack Zipes,2012-02-07 The fairy tale is arguably one of the most important cultural and social influences on children s lives But until the first publication of Fairy Tales and the Art of Subversion little attention had been paid to the ways in which the writers and collectors of tales used traditional forms and genres in order to shape children s lives their behavior values and relationship to society As Jack Zipes convincingly shows in this classic work fairy tales have always been a powerful discourse capable of being used to shape or destabilize attitudes and behavior within culture How and why did certain authors try to influence children or social images of children How were fairy tales shaped by the changes in European society in the sixteenth and seventeenth centuries Zipes examines famous writers of fairy tales such as Charles Perrault Jacob and Wilhelm Grimm Hans Christian Andersen and L Frank Baum and considers the extraordinary impact of Walt Disney on the genre as a fairy tale filmmaker **Elf and Efficiency** S P Hedges,2020-04-16 Santa is to be relocated to a distribution centre near Birmingham England the elves and reindeer made redundant He doesn t know that it s a plot to steal his magic Other magical figures have bought into this plan to save Christmas but they are also being tricked by world leaders desperate to obtain the magic for their own ends They in turn are mere puppets to the shady people who really control the world None of them reckon on the resolve of the Elves to keep Christmas They too need to modernise they form unions and become suffragettes in their own causes to survive Ultimately it is up to them to rescue Santa **The Priestess' Bridegroom** Valsirion Scharona,2023-04-12 King Rediva had summoned the Rhodian Centaurs to help in the war against the Unicorns Peace Empire However the warriors unexpectedly meet the most beautiful mare of all time and fall head over in love with the beauty Now this mare is of all things one of the highest ranking priestesses of the Black Unicorn the king s enemy in the flesh and also enjoys a very high reputation among the unicorns Nevertheless the centaurs set off to dare to show up before the Lord of the Order and ask for the mare s hand This one instead sends them on a murderous quest Early Modern Supernatural Jane P. Davidson,2012-01-06 Devils ghosts poltergeists werewolves and witches are all covered in this book about the dark side of supernatural beliefs in early modern Europe tapping period literature folklore art and scholarly writings in its investigation The dark side of early modern European culture could be deemed equal in historical significance to Christianity based on the hundreds of books that were printed about the topic between 1400 and 1700 Famous writers and artists like William Shakespeare and Albrecht D rer depicted the dark side in their work and some of the first printed books in Europe were about witches The pervasive representation of these monsters and apparitions in period literature folklore and art clearly reflects their power to inspire fear and superstition but also demonstrates how integral they were to early modern European culture This unique book addresses topics of the supernatural within the context of the early modern period in Europe covering mythical entities such as devils witches ghosts

poltergeists and werewolves in detail and examining how they fit in with the emerging new scientific method of the time This unique combination of cultural studies for the period is ideal for undergraduate students and general readers
