The Magic Of Findhorn The Magic Of Findhorn:

The Magic of Findhorn Paul Hawken, 1975 The Magic of Findhorn Gardens Paul Hawken, 1975* In Search of the Magic of Findhorn Karin Bogliolo, Carly Newfeld, 2002 A fascinating fresh picture of the ground breaking Findhorn Community as it is today despite the difficulties caused by growth finances changing personalities and the departure and death of cofounder Peter Caddy *Grace, Grit and Gratitude* Grace Gawler, 2008 In 1975 Grace Gawler had a promising future A brilliant young vet nurse planning to study veterinary medicine she received a lucrative modelling offer which would have paid her university fees Concurrently her boyfriend lost his leg to bone cancer Grace was at a vital choice point either pursue glamorous well paid modelling work while studying to become a vet or support her boyfriend through his dying months The latter meant foregoing her personal and financial independence and lifelong dreams of becoming a vet Grace chose to support Ian Believing that his cancer was curable she directed her passion into his healing dedicating 18 hour days focussing on juicing massages and pain management whilst researching every cure imaginable With just a few weeks to live Ian proposed Grace accepted taking him to the Philippines for a healing honeymoon the beginning of a long road to recovery He survived and together they established the Gawler Foundation helping thousands of cancer patients gain hope and lead better lives Now a mother of four and with Ian in remission Grace developed her own methods for helping women with breast cancer and authored her first book WOMEN OF SILENCE in 1994 Life was good Disaster struck in 1997 Ian left the family then her own major health crisis began Soon the healer of thousands was struggling for her own life For nine years she battled on with little support Horrendously ill she faced death many times A beautiful woman her shining light was almost extinguished With amazing tenacity drive and passion Grace survived Near death experiences have enhanced her passion for living which bursts through in this book her enthusiasm for life is contagious Her only struggle is to contain the adjectives she uses Now an international wellness leader this modern day heroine inspires all with her story of GRACE GRIT AND GRATITUDE The No.9 Bus to Utopia David Bramwell, 2014-06-26 When David Bramwell s girlfriend left him for someone she described as younger but more mature than you he decided he had something to learn about giving Taking a year off he journeyed through Europe and America seeking out extraordinary communities that could teach him how to share He wanted answers to a few troubling questions Is modern life rubbish Why do so many of us feel lonely and unfulfilled despite a high standard of living Are there communities out there who hold the key to happiness And if so why do so many of their inhabitants insist on dressing in tie dye His quest led him to an anarchist haven in the heart of Copenhagen some hair raising experiences in free love communities an epiphany in a spiritual caravan park in Scotland and an apparent paradise in a Californian community dreamed up by Aldous Huxley Most impressive of all was Damanhur a 1000 strong science fiction style community in the Alps with an underground temple the size of St Paul s Cathedral a village of tree houses and a fully functioning time machine Inspired he returned home with a desire to change Not just himself but also his neighbourhood and

city Find out how he succeeded in this wry and self deprecatingly funny spiritual journey that asks some big questions and finds the answers surprisingly simple Secular Beats Spiritual Steve Bruce, 2017-10-20 The decline of the Christian churches in the West is undeniable but commentators differ in their understanding of what this represents For some it shows a decline in interest in religion as such for others religion has not declined it has only changed its shape Possible candidates for Christianity's replacement are the new religious movements of the late 1960s and what is variously called New Age alternative or contemporary spirituality Secular Beats Spiritual offers a detailed study of the religious and spiritual innovations of the last 50 years It assesses their popularity in the UK and concludes that the not decline just change view cannot be sustained Serious interest in spirituality has grown far less quickly than has the number of us who have no religious or spiritual interest The most popular and enduring movements have been the least religious ones and those that have survived have done so by becoming more this worldly and less patently religious or spiritual Yoga is popular but as a secular exercise programme Transcendental Meditation now markets its meditational technique as a purely secular therapy British Buddhists now offer the secular Mindfulness and the Findhorn Foundation Europe's oldest New Age centre is no longer the germ of a counter cultural communalism but sells its expertise to major corporations Steve Bruce also demonstrates that although eastern religious themes such as reincarnation and karma have become more popular as the power of the Christian churches to stigmatise them has declined such themes have also been significantly altered so that what superficially looks like the easternization of the West might better be described as the westernization of the easternization of the West **New Age Encyclopedia**, 1990 **Environmental Ethics**, 1984 **Mysteries of Venus** Mark Lerner, 1986 *New Age Journal*, 1974-11 Nature Spirits & Elemental Beings Marko Pogacnik, 2012-06-01 Based on firsthand practical experiences of communicating with natural spirits through meditation this eye opening guide to healing the earth teaches how to work with elemental beings by describing each in detail while defining their roles within the web of life As a result of tuning in to plants trees and animals and illustrating the disrupted flow of energies within the landscape the true impact of human culture upon the harmony of the natural world is evocatively revealed Insight into related topics such as how the long suppressed Goddess culture embraces these energies to make strides toward healing the earth can set anyone with earth and landscape concerns gardeners growers designers and builders one step closer toward becoming environmental warriors **Nederlandsch letterkundig nieuwsblad**, 1978 **Harper's Encyclopedia of Mystical & Paranormal Experience** Rosemary Guiley, 1991 An alphabetical guide to the paranormal with more than five hundred entries on notable individuals supernatural phenomena such as apparitions and levitation geographical locations linked to the occult and spiritual traditions such as Sufism and Taoism *Contemporary Utopian Struggles* Saskia Poldervaart, Harrie Jansen, Beatrice Kesler, 2001 This book contains a selected number of papers presented at the Sixth International Communal Studies Association ICSA Conference that was held in Amsterdam from 7 to 9 July 1998 under the
