The Magic Of Teamwork:

The Magic of Teamwork L. M. Colozza, 20?? *Shared Decision-making in Health Care* Glyn Elwyn, Adrian Edwards, Rachel Thompson, 2016 Over the past decade health care systems around the world have placed increasing importance on the relationship between patient choice and clinical decision making In the years since the publication of the second edition of *Shared Decision Making in Health Care* there have been significant new developments in the field most notably in the US where Obamacare puts shared decision making SDM at the centre of the 2009 Affordable Care Act This new edition explores shared decision making by examining from practical and theoretical perspectives what should comprise an effective decision making process It also looks at the benefits and potential difficulties that arise when patients and clinicians share health care decisions Written by leading experts from around the world and utilizing high quality evidence the book provides an up to date reference with real word context to the topics discussed and in depth coverage of the practicalities of implementing and teaching SDM The breadth of information in *Shared Decision Making in Health Care* makes it the definitive source of expert knowledge for healthcare policy makers As health care systems adapt to increasingly collaborative patient clinician care frameworks this will also prove a useful guide to SDM for clinicians of all disciplines
