Designed to promote climate change education in primary schools this resource will help primary teachers, student teachers, geography specialists and all those interested in climate change education develop their own conceptual knowledge and that of the children in their class.

*Compendium of Symbolic and Ritual Plants in Europe: Trees and shrubs* Marcel Cleene, Marie Claire Lejeune, 2002

A modern reference work on the part played by herbs, shrubs and trees in mythology and religious and profane rituals and the symbolism that derives from them. Many customs that 21st century man finds perfectly normal once had a far deeper significance. It is an academically sound survey of the knowledge of ritual plants over the centuries taking a broad view plus a critical look at how correctly plant species are named in the literature.
