Georges M. Halpern, 2021-11-09 More than 4 million Americans are diagnosed annually with peptic ulcer disease The resulting gastritis inflammation of the stomach causes heartburn nausea acid reflux gas and stomach pain For years relief from these symptoms came in the form of antacids dietary changes and in some cases surgery When it was discovered that ulcers were actually caused by a bacterium antibiotics became the treatment of choice While more effective than previous attempts at relief this cure came with its own set of risks ranging from often severe side effects to the development of drug resistant bacterial strains For many the problems caused by this treatment outweighed the benefits Now a major nutritional scientific breakthrough offers a safe simple and totally natural approach to treating this gastric problem Zinc Carnosine is the remarkable story of a new dietary supplement that has been proven to heal ulcers and relieve its symptoms Here you will learn of Zinc Carnosine's discovery its decade of clinical studies as an alternative therapy and its US patent approval You will also learn of the hidden dangers of antacid treatments Just as important you will discover how Zinc Carnosine can be used to successfully treat ulcers If you or a loved one suffers from ulcers you know that the cures can often be as problematic as the condition itself In Zinc Carnosine you will discover how this unique supplement is offering a safe and effective treatment to millions of ulcer sufferers *African-American Healthy* Richard W. Walker, Jr., 2012-06-12 Winner of the IBPA Benjamin Franklin Award for Best Health Title It's no secret that African Americans top the list of groups afflicted by hypertension stroke diabetes heart disease renal failure and cancer What the statistics do not show is the pain misery and despair that these conditions create not only for the individual but also for family and friends As an African American doctor Dr Richard Walker has studied these conditions among his patients for many years Now for the first time Dr Walker believes that research has found a commonsense way to prevent reduce and possibly eliminate these killers turning the tide of African American health Dr Walker begins by looking at the black community's lifestyle which has radically changed over the centuries shifting people from hours spent under a blazing sun to a life of minimum sunlight exposure From there it is clear that the missing puzzle piece of African American health is a chronic lack of Vitamin D3 Most important Dr Walker explains how this crucial factor can be added to a daily routine along with components such as nutritional supplements diet and exercise He then focuses on each major illness affecting the black community and explores what it is what its symptoms are and how the reader can avoid or treat the problem A concise yet critical guide *African American Healthy* offers an important
