However during the play's opening performance one of the cast members is struck down after being poisoned making it his first and last appearance on stage. Suspicion is rife and Nicolas Bracewell the trusty book keeper refuses to let the crime go unpunished. followers to interpret him from within their own contexts history experience and social location Therefore all responses to Jesus s invitation are contextual But for too long many theologians particularly in the West have continued to see Christology as a universal endeavor that is devoid of any contextual influences This understanding of Christology undermines Jesus s expectations from us to imagine and appropriate him from within our own contexts In Re imagining African Christologies Victor I Ezigbo presents a constructive exposition of the unique ways that many African theologians and lay Christians from various church denominations have interpreted and appropriated Jesus Christ in their own contexts He also articulates the constructive contributions that these African Christologies can make to the development of Christological discourse in non African Christian communities
