Works William Shakespeare,1880

**A Concordance to All the Bookes of the Old Testament, According to the Translation Allowed by His Late Matie of Great Brittan, Etc. [By Clement Cotton.] ,1627**

*A complete Body of practical Divinity; being a new improvement of the Assembly's Catechism ... To which are prefix'd some memoirs of the Author's life; with his solemn form of covenanting with God. [With a preface by J. Smith.] Thomas DOOLITTLE,1723*

*The Clinique ,1882 Election is just not Fair! Moreno Dal Bello,2015-08-12* For many people the doctrine of election is one that

just does not make sense for it appears to contradict the teachings that God is Love and no respecter of persons It is even seen as a doctrine which shuts many people out of heaven who desired entry Thus it is concluded that the doctrine of election is just not fair that God would be unjust to select only some people to show His grace and mercy towards in granting the gift of salvation and simply leave the rest to themselves or worse still consign them to hell The real reason behind such a conclusion is the flawed foundation upon which these notions are based a foundation which says that man is not dead in sin as a result of the Fall but is merely a wounded soul with the ability and desire to seek and choose God intact The concept of free will stands in eternal opposition to the doctrine of free grace

**The Bookman ,1897 Notes, Explanatory and Practical, on the Gospels** Albert Barnes,1844

*The Complete Concordance to Shakespeare: Being a Verbal Index to All the Passages in the Dramatic Works of the Poet* Mary Cowden- Clarke,1845

**Nicene and Post-Nicene Fathers: First Series, Volume IV** St. Augustine: **The Writings Against the Manichaeans, and Against the Donatists**

Philip Schaff,2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume IV of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will find Augustines writings defending the Catholic church against the Manichaeans and the Donatists

Manichaeanism was a religion developed in Persia by the prophet Mani According to this religion creation has two parts darkness and light Light is God and has ten attributes Opposing this and coeternal with it is darkness and its five attributes Saint Augustine was originally a Manichaeans so his defense of Christianity against this religion comes from a deep understanding of its nature Donatists were a group of believers who refused to forgive those who had renounced their faith during a time of persecution which caused a schism in Christianity In opposing these men Augustine attempted to mend the rift Those with an interest in ancient religions will find Augustines writings on Manichaeanism one of the most important historical records of that religions practices
