The Magdalene Legacy:

The Magdalene Legacy Laurence Gardner, 2005 Laurence Gardner's historical detective work on Jesus Mary Magdalene and their hidden lineage first began in his worldwide bestseller *Bloodline of the Holy Grail* Since then these controversial themes have appeared in the bestselling novel *The Da Vinci Code* triggering a new debate about the mysterious life of the Magdalene

The Magdalene Legacy Laurence Gardner, 2005 An historical detective story presenting secret archives on the mysterious life of Mary Magdalene the hidden lineage of Jesus and Mary and the real 2 000 year old conspiracy involving the entire history of Christianity

The Magdalene Legacy Sandra M Rushing, 1994-09-29 Rushing's seminal work addresses the ways in which modern women struggle with holistic spirituality sexuality and anger She employs the Mary Magdalene model as an archetype in which sexuality and spirituality are united Using extra canonical texts Rushing explores the dynamics of the relationship between the Magdalene and Jesus one that created tension within the collective and was excluded from the canon itself The Magdalene known as the apostle to the apostles has remained tainted through repressive scholarly action and deliberate distortion Her historical treatment is paralleled for women today who wish to remain within the church but who experience a subtle ongoing sexual bias The author's blending of the sociological theory of Thorstein Veblen and the psychological constructs of Carl G Jung is unique in its theological application

Divine Consciousness Reena Kumarasingham, 2020-10-01 Does Divine Consciousness exist only with the Son of God or within all of us Two thousand years ago a rich myriad of Christian teachings emerged after the death of Jesus Two pillars rose above the din two churches two structures two leaders James the Brother of Jesus and St Paul the Evangelist Journey with St Paul whose tireless efforts laid the foundations for one of the biggest religions in modern times Walk with James the brother of Jesus who was given the mantle to lead the original Church by Jesus upon his death These accounts offer intimate knowledge of what motivated and moved them how and why they built and developed the twin pillars of Christianity and what happened to their respective churches Two thousand years have dimmed the light on these diverse teachings It is now time to illuminate the secret stories of the Early Christian Church and the Divine Consciousness

Mary Magdalene's Legacy José Luis Giménez Rodríguez, 2021-03-30 Why has there been an attempt to hide the evidence that led to the almost complete termination of the Cathars or Les Bons Homes or the reason that later led to the dissolution of the Order of Knights of the Temple whose members were persecuted and burned alive in the fire What evidence was so serious for the Church that it would shake its foundations The author of this book has managed to discover what could be the greatest evidence found so far of what is possibly considered the most persecuted heresy in history Much has been written and commented on the relationship between Jesus the Nazarene and Mary Magdalene hundreds of hypotheses have made rivers of ink flow but until now no one had managed to find evidence like the one shown in this book A story that will not leave anyone indifferent The author describes how after receiving information from an enigmatic character about the figure

Recent Releases Geert Hallbäck,Annika Hvithamar,2008 The relationship between theology and film has always been a complicated one When film was invented at the end of the nineteenth century it quickly gained its place in popular culture far from the orthodoxies of the scholarly world and of the Church For the better part of the twentieth century popular cinema was considered off limits for serious studies of Bible and culture Recently however there has been a growing understanding of how the Bible is being used in popular culture not as a historical document or as an authoritative canon but as part of the cultural intertext Cinema is a vivid example of the role and impact of the Bible in contemporary society In this well theorized collection of essays the issue is treated from several angles Using the methodology of theology the question of the alleged escapism of popular cinema is explored Using the methodology of media studies the impact of the media on religious

communication is analysed And using the methodology of religious studies the influence of the cinema in the creation of new religions religious behaviour and religious institutions is investigated In addition the book offers fruitful analyses of the cinematic use of biblical themes such as Eden salvation Mary Magdalene and Jesus as well as of the cinematic application of ethical themes such as truth telling personal growth suffering the accomplishment of good and the creating of meaning for human beings

Mary Magdalene Gustavo Vazquez-Lozano, 2025-06-27 After that Jesus traveled about from one town and village to another The Twelve were with him and also some women who had been cured of evil spirits and diseases Mary called Mary Magdalene from whom seven demons had come out and many others These women were helping to support them out of their own means Luke 8 1 3 Mary Magdalene is one of the most talked about figures in modern Christianity a woman who mainstream media and modern sensibilities can hold with more conviction The media press movie industry and airport literature have been obsessed with this redhead for more than 100 years a fascination that reached its climax in the first decade of this century and does not seem likely to end any time soon Mary Magdalene is frequently depicted as young and attractive liberated and intelligent a symbol of a freer spirituality and not controlled by a male dominated church In the minds of many she embodies opposition to a system dominated by old men in white cassocks the sacred feminine As if that is not enough she has the best bachelor in the world Jesus Christ himself The French made fair haired Mary Magdalene who appears in innumerable works of medieval and modern art with a red robe a symbol of rebellion and freedom although in the Middle Ages the intention was to show her as a loose woman is a creation of the Western

Church and more recently the media. It is a depiction laden with centuries of intertextual struggles patronizing homilies, medieval legends, novels looking for bestseller status, and documentaries for cable television. But there was a historical Mary Magdalene, a woman named Miriam, Hebrew for Mary, born in Galilee in the time of King Herod and she died most likely in present day Turkey when Christianity was only a variant of Judaism. Mary Magdalene would not recognize herself in modern portraits or the perception the average Christian of the last 1500 years has of her. If there has been a search for the historical Jesus since the 18th century, the real man who walked in the hills of Galilee and died on a cross in Jerusalem, a similar quest is necessary for the historical Mary Magdalene but not out of mere curiosity because she is important in the narrative of Jesus's life. If the early sources are accurate, Mary of Magdala was the first Christian in history and the first to announce the fundamental kerygma of early Christianity: Jesus is risen.
