*Stumbling over the Cross* Joni S. Sancken, 2016-04-21 It has never been easy to preach about the cross and resurrection of Jesus but difficulties today are particularly challenging Hearers ask tough questions of the church and the Christian faith and they are not satisfied by formulaic answers People are often suspicious of doctrine and are attracted to a broad but vague or pluralistic spirituality rather than the classical claims of Christianity In this climate preachers often see preaching on the central events of the Christian story the crucifixion and resurrection as more of a problem than a possibility more of a burden than a joy They wonder not only how to preach the old old story of cross and resurrection but whether they should preach these themes at all This book addresses these concerns and shows preachers how to preach the cross and resurrection in fresh culturally relevant ways that deepen Christian discipleship Each chapter shows the relevance of preaching the cross for addressing a particular congregational concern What has ironically become a stumbling block in the pulpit the stone that preachers often reject preaching on the cross and resurrection of Jesus can serve as the cornerstone for building up the congregation for discipleship in our world     *First Thoughts* Ken & Val

Baker,2015-10-02 This is a compilation of four previously published rather slenderer books entitled The God of More than Enough Christ the Hope of Glory According to the Power and This Hope we Have It appears now by popular request in one volume to encourage the reading and reflection on God s word every morning It also contains the revised script of an E book from some years back entitled First Thoughts Be My First Thought in the Morning As a couple we always try to start and finish each day centred on God s word to let it be our first thought and our last thought And so First Thoughts still seems to be an appropriate title for the present volume There s a theme that comes consistently to the surface wherever we travel it s the theme of God s supply Everywhere we go we find people hungry for the truth that God is all we need that He is our supplier that He provides for every single situation So here are some of those verses that have blessed us in that discovery

**Reading for Preaching** Cornelius Plantinga, Jr.,2013-11-30 In Reading for Preaching Cornelius Plantinga makes a striking claim preachers who read widely will most likely become better preachers Plantinga himself a master preacher shows how a wide reading program can benefit preachers First he says good reading generates delight and the preacher who enters the world of delight goes with God Good reading can also help tune the preacher s ear for language his or her primary tool General reading can enlarge the preacher s sympathies for people and situations that she or he had previously known nothing about And above all the preacher who reads widely has the chance to become wise This beautifully written book will benefit not just preachers but anyone interested in the wisdom to be derived from reading Works that Plantinga interacts with in the book include The Kite Runner by Khaled Hosseini Enrique s Journey by Sonia Nazario Silence by Shusaku Endo How Much Land Does a Man Need by Leo Tolstoy Narcissus Leaves the Pool by Joseph Epstein Les Misérables by Victor Hugo and many more **Laughter in a Genevan Gown** Marie-Hélène Davies,1983 The Andover Review ,1885
