The Making Of The Industrial Landscape:

The Making of the Industrial Landscape Barrie Stuart Trinder, 1982 Biography of an Industrial Landscape Svava Riesto, 2025-10-01 Biography of an Industrial Landscape tells the story of one of the most significant urban redevelopment projects in northern Europe at the turn of the century Examining the reinvention of the Carlsberg brewery site in Copenhagen as a city district Svava Riesto unpacks the deeper assumptions about value that lie behind contemporary design spatial planning and heritage practices In particular Riesto examines ways of valuing a vital yet seldom explicitly discussed feature of industrial landscapes open space Carlsberg s industrial open spaces were largely disregarded during the redevelopment which was founded on canonical heritage thinking and ideas about urban space that were poorly equipped to include the characteristics of these spaces in the design s considerations As a response this account reappraises industrial open spaces Drawing on Henri Lefebvre and biographical approaches to landscape research the Carlsberg site s open spaces are presented anew as an interplay of materials practices and the imagination shaped and reshaped by water yeast industrial working routines and conflicting ideas about the future city **Making Industrial Pittsburgh Modern** Edward K. Muller, Joel A. Tarr, 2019-10-22 Pittsburgh s explosive industrial and population growth between the mid nineteenth century and the Great Depression required constant attention to city building Private profit oriented firms often with government involvement provided necessary transportation energy resources and suitable industrial and residential sites Meeting these requirements in the region s challenging hilly topographical and riverine environment resulted in the dramatic reshaping of the natural landscape At the same time the Pittsburgh region s free market private enterprise emphasis created socio economic imbalances and badly polluted the air water and land Industrial stagnation temporarily interrupted by wars and then followed deindustrialization inspired the formation of powerful public private partnerships to address the region s mounting infrastructural economic and social problems The sixteen essays in Making Industrial Pittsburgh Modern examine important aspects of the modernizing efforts to make Pittsburgh and Southwestern Pennsylvania a successful metropolitan region The city building experiences continue to influence the region s economic transformation spatial structure and life experience **The National Geographical Journal of India** , 1961 **Manufacturing Montreal** Robert D. Lewis, 2000 In this book the author provides a detailed account of a major North American city s industrial landscape from the beginnings of industrialization to the Great Depression He demonstrates that the process of industrial decentralization has been ongoing since the 1850s His overall thesis is that the economic and social imperatives underlying industrial capitalism reshaped the manufacturing geography of Montreal **Making Manufacturing Cells Work** Computer and Automated Systems Association of SME., 1992 Based on over ten years of hands on cell planning and installation worldwide this book analyzes FMC conceptual development implementation integration and future trends Chapters include the FMC Project Organization Macro Facility Planning Evaluating Alternative FMCs Selling FMC Concepts to Top Management Material Handling Robot
