**The Man That Corrupted Hadleyburg** Mark Twain,2019-03-08 It was many years ago Hadleyburg was the most honest and upright town in all the region round about It had kept that reputation unsmirched during three generations and was prouder of it than of any other of its possessions It was so proud of it and so anxious to insure its perpetuation that it began to teach the principles of honest dealing to its babies in the cradle and made the like teachings the staple of their culture thenceforward through all the years devoted to their education Also throughout the formative years temptations were kept out of the way of the young people so that their honesty could have every chance to harden and solidify and become a part of their very bone The neighbouring towns were jealous of this honourable supremacy and affected to sneer at Hadleyburg s pride in it and call it vanity but all the same they were obliged to acknowledge that Hadleyburg was in reality an incorruptible town and if pressed they would also acknowledge that the mere fact that a young man hailed from Hadleyburg was all the recommendation he needed when he went forth from his natal town to seek for responsible employment **The Man that Corrupted Hadleyburg and Other Stories and Essays** Samuel Langhorne Clemens,1901
