

The March Of The Long Shadows

John Devenish Hoppus

The March Of The Long Shadows:

The Long Shadow Peter Yule, 2020-11-13 Most veterans were either alcoholics or workaholics and I fitted into the latter category Chris Cannin 6RAR 1967 7RAR 1967 68 When I look back and I see what I used to do there were a lot of things wrong that I would never ever admit to at the time I thought I was fine but I wasn't Alan Thornton 17 CONSTRUCTION SQUADRON 1968 69 The medical and psychological legacies of the Vietnam War are major and continuing issues for veterans their families and the community yet the facts about the impact of Agent Orange post traumatic stress disorder and other long term health aspects are little understood The Long Shadow sets the record straight about the health of Vietnam veterans and reveals a more detailed and complex picture Profiling the stories of the veterans themselves this comprehensive and authoritative book is a pioneering work of history on the aftermath of war It takes a broad approach to the medical legacies exploring the post war experiences of Vietnam veterans the evolution and development of the repatriation system in the post Vietnam decades and the evolving medical understanding of veterans health issues **The Long Shadow of**

Waterloo Timothy Fitzpatrick, 2019-03-19 A concise but authoritative narrative of the last action of the Napoleonic Wars and its influence on French British German and U S cultures Military History Matters The Battle of Waterloo ended a century of war between France and Great Britain and became a key part of their national identity serving their political needs as the battle was refought throughout the 19th century in politics books and art to create the myth of Waterloo For Great Britain Waterloo became a symbol of British hegemony while the multinational contribution to the battle was downplayed and for France it was remembered as a military disaster Through looking at the battle's significance in history an insight is gained into how cultural myths and legends about a battle are made Wellington and Napoleon both tried to shape the memory of the battle to their advantage Wellington propagated the myth that the British won despite being outnumbered by a huge French army while Napoleon chose to blame his subordinates for the loss in particular Emmanuel de Grouchy This book covers the battle's influence on figures such as Jomini and Clausewitz military theorists who wanted to find the objective truth of Waterloo and use it as a guide for future wars as well as Victor Hugo and Les Misérables who challenged the myths of battle to transform it into a win for France from which the Republic would emerge The way Waterloo was used for entertainment is also explored as battlefield tourists came from all over the world to vicariously experience the legendary battle through visualizations such as the traveling panoramas in England and poetry of Sir Walter Scott **Anzac's Long Shadow** James

Brown, 2014-01-31 A century ago we got it wrong We sent thousands of young Australians on a military operation that was barely more than a disaster It's right that a hundred years later we should feel strongly about that But have we got our remembrance right What lessons haven't we learned about war and what might be the cost of our Anzac obsession Defence analyst and former army officer James Brown believes that Australia is expending too much time money and emotion on the Anzac legend and that today's soldiers are suffering for it Vividly evoking the war in Afghanistan Brown reveals the

experience of the modern soldier He looks closely at the companies and clubs that trade on the Anzac story He shows that Australians spend a lot more time looking after dead warriors than those who are alive We focus on a cult of remembrance instead of understanding a new world of soldiering and strategy And we make it impossible to criticise the Australian Defence Force even when it makes the same mistakes over and over None of this is good for our soldiers or our ability to deal with a changing world With respect and passion Brown shines a new light on Anzac s long shadow and calls for change Longlisted for the 2014 John Button Prize Bold original challenging James Brown tackles the burgeoning Anzac industry and asks Australians to re examine how we think about the military and modern day service Leigh Sales The best book yet written not just on Australia s Afghan war but on war itself and the creator destroyer myth of Anzac John Birmingham Anzac s Long Shadow is refreshing and engaging It is also frank and no nonsense James Brown sets himself apart as a leader in this new generation of Anzacs by asking the hard questions Peter Leahy Chief of the Australian Army 2002 08 One of Australia s most insightful strategic analysts James Brown lays bare our cult of Anzac As our diggers return from war this book is more necessary than ever before It s now time for us to remember not only our fallen but our living Michael Ware Former CNN Baghdad correspondent Brown as both an intelligent military theorist and an engaging storyteller is able to tackle such a controversial issue with humour and candour A personal challenging and informative work with the potential to contribute a great deal to Australia s understanding of our own military service and how we think about war itself Readings Monthly Brown is lucid bright and fierce exceptional qualities in a writer and no doubt a soldier and he s written an important prelude to our Anzac centenary The Saturday Paper It is the combination of academic insight and lived experience that gives this book its particular edge A good a necessary and an important book Canberra Times This is the most interesting and original book I have read on contemporary Australian public policy for a long time Judith Brett The Monthly The Long Shadow of Antiquity Gregory S. Aldrete, Alicia Aldrete, 2019-02-07 A vivid exploration of the many ways the classical world remains relevant today this is a passionate justification of why we continue to read about and study the lives and works of the ancient Greeks and Romans Challenging the way the phrase That s just ancient history is used to dismiss something as being irrelevant Greg and Alicia Aldrete demonstrate just how much ancient Greece and Rome have influenced and shaped our world today in ways both large and small From the more commonly known influences on politics law literature and timekeeping through to the everyday rituals and routines we take for granted when we exercise dine marry and dress we are rooted in the ancient world Even the political upheaval celebrity obsession and blurring of public and private boundaries that we see in current news betray ancient characteristics now brought to the fore here in a new final chapter If you have ever wondered how far exactly we still walk in the footsteps of the ancients or wanted to understand how study of the classical world can inform and explain our lives today this is the book for you **The Long Shadow of Small Ghosts** Laura Tillman, 2017-04-11 In Cold Blood meets Adrian Nicole LeBlanc s Random Family A harrowing profoundly personal

investigation of the causes effects and communal toll of a deeply troubling crime the brutal murder of three young children by their parents in the border city of Brownsville Texas Amazon com The Long Shadow B. M. Bower,1909 **The Long Shadow of Little Rock** Daisy Bates,1987 On September 3 1957 Arkansas Gov Orval Faubus called out the National Guard to surround Little Rock s all white Central High School and prevent the entry of nine black students challenging the Supreme Court s 1954 order to integrate all public schools On September 25 Daisy Bates an official of the NAACP in Arkansas led the nine children into the school with the help of federal troops sent by President Eisenhower the first time in 81 years that a president had dispatched troops to the South to protect the constitutional rights of black Americans Bates s classic account of the Little Rock School Crisis couldn t be found on most bookstore shelves in 1962 and was banned throughout the South In 1988 after the University of Arkansas Press reprinted it it won an American Book Award From publisher description The March of the Long Shadows Norman Lewis,1989-06 **The War's Long Shadow** Bradley F. Smith,1986 *Jefferson Davis, Confederate President* Herman Hattaway,Richard E. Beringer,2002 Now two Civil War historians Herman Hattaway and Richard Beringer take a new and closer look at Davis s presidency In the process they provide a clearer image of his leadership and ability to handle domestic diplomatic and military matters under the most trying circumstances without the considerable industrial and population resources of the North and without the formal recognition of other nations BOOK JACKET The Long Shadow Françoise J. Hampson,1995 Contents Diderot and the Encyclopedists John Morley,1897 Riverside Papers John Devenish Hoppus,1882 **Post-War Lies** Malte Herwig,2014-09-29 A German bestseller Post War Lies is a superb portrait of a torn generation the Nazi Party s youngest members those born between 1919 and 1927 who were raised on an ideological diet of racism and militarism A number of them from prominent politician Hans Dietrich Genscher to writer Martin Walser were later to become leading public figures in federal Germany In this meticulously researched book Malte Herwig reveals how Germany handled these former party members For nearly half a century it was a case of don t ask don t tell While the US government held captured Nazi records such as the party s central membership file the German government used every available means to delay the return of the Nazi archive for half a century until the last top politician with a Nazi file had retired Herwig also found a list of high ranking German politicians whose Nazi membership files had been secreted between the 1960s and early 1990s Many of this generation kept quiet about their connection to the Nazi Party or denied it or pushed it to the backs of their minds and forgot all about it Post War Lies tells their hitherto unknown story from the Third Reich to the post war de Nazification process and into the present It is also a young historian s contribution to an important contemporary debate about historical truth and human honesty PRAISE FOR MALTE HERWIG Herwig follows the bungled attempts to destroy the bureaucratic records and identifies prominent post war politicians artists writers and others who hid or denied their involvement with the Nazis revealing undercurrents of Nazism that still exist The Herald Sun A must read Die Welt *Encounter* ,1987 *Campaigning on the Oxus, and the Fall of Khiva* Januarius Aloysius
