*The Angel's Riddle* James V. Head, 2017-09-29 First century Christians endured severe persecution including death from both the Jews and Romans The Revelation of Jesus Christ was recorded by the Apostle John primarily to give those beleaguered souls strength and hope as their world became increasingly intolerable They needed to know that God had not forgotten them The Angels Riddle is the result of an exhaustive critical analysis of the symbolism and imagery Jesus used to convey His message of hope A progressive process was used to analyze and decode each part of the message into a clear and concise format This is a deep study meant to be used with your Bible and suitable materials to record any crib notes you may desire to make along the way Commentary is provided as you progress through the book Details symbols and difficult language are broken down into manageable groups through analysis and comparison to multiple Bible passages backed up by only the Word of God The Angels Riddle is a critical analysis and study of the most difficult book in the Bible Dont hurry your patience will be rewarded I will attest that though many have tried few could have succeeded as Jim has in peeling back Revelations many layers Jim has summarized centuries of biblical scholarship and pulled together a deep and impressive bibliography In the process he became a Revelation scholar himself Larry Prescott PhD *Paris and the Marginalized Author* Valérie K. Orlando, Pamela A. Pears, 2018-10-15 This volume of essays explores what it is that has brought marginalized and often exiled writers seen as treacherous alienated and or queer by their societies and nations together by way of Paris Spanning from the inter war period of the late 1920s to the present millennium this volume considers many seminal questions that have influenced and continue to shape the realm of exiled writers who have sought refuge in Paris in order to write Additionally the volume s essays seek to define alienation and marginalization as not solely subscribing to any single denominator sexual preference gender or nationality but rather as shared modes of being that allow authors to explore what it is to write from abroad in a place that is foreign yet freed of the constrictions of one s home space What makes Paris a particularly fruitful space that has allowed these authors and their writings to cross national ethnic racial religious and linguistic boundaries for over a century What is it that brings together writers such as Moroccan Abdellah Ta a Americans James Baldwin Richard Wright and most recently Ta Nehisi Coates and Shay Youngblood Algerian Nabile Far s Franco Algerian Leila Sebbar Canadian Nancy Huston French Jean Genet and French Vietnamese Linda L How do their representations and understanding of transgression and marginalization transcend national linguistic and ethnic boundaries leading ultimately to revolution both literary and literal How does their writing help us to trace the history of Paris as a literary and artistic capital that has been useful for authors exploration of the Self race and home country These are but a few of the many questions explored in this volume This book relies on an inherently intersectional approach which is not based in reified identities whether they be LGBT postcolonial ethnic national or linguistic Instead we posit that for example queer theory and a politics of difference i can help us investigate the dynamics of these multiple identity positions and hence

provide a broader understanding of the lived experiences of these writers and perhaps their readers from the early 1940s to the present

The Mark of the Angel Nancy Huston, 2000 The stunning American debut of an internationally acclaimed writer The Mark of an Angel is a haunting and unforgettable tale of three lives woven together by fate The year is 1957 and the place is Paris where the psychic wounds of World War II have barely begun to heal and the Algerian War is about to escalate Saffie an emotionally damaged young German woman arrives on the doorstep of Raphael a privileged musician who finds her irresistible But when Raphael sends Saffie on an errand to the Jewish ghetto where she meets András a Hungarian instrument maker each of their lives will be altered in startling and unexpected ways A mesmerizing novel of love and betrayal The Mark of an Angel shows how long buried memories coupled with the inexorable flow of history can create a tableau of epic tragedy
