Hidden Jesus A New Life:

The Hidden Jesus Donald Spoto, 1999-09-13 **What Manner of Man Is This?** John W. Hawkins, 2009-04-15 Who was Jesus Was he just a Jew who lived 2000 years ago Was he God incarnate Was he the Messiah a teacher a healer a miracle worker or a world savior He was all of these things depending on what source you are using to define him This book tells us about Jesus perhaps the greatest man who ever lived among us through a number of different and often differing sources 1 The Holy Bible both Old and New Testaments 2 modern scholars and historians who make frequent use of documents not discovered until the middle of the last century 3 from the stories of people who knew him uncovered through the agency of past life regressions and 4 from two well known twentieth century psychics Edgar Cayce and Levi Dowling who obtained their information from what they called the akashic records To supplement the material quoted herein footnotes are provided that list the author and publisher of more than sixty books used in doing research for this book Secrets to Receiving Uncommon Breakthroughs Shегun Bino Alabi, 2020-03-02 Praying is not enough You need to be praying for the right things in order to see results In this prayer handbook you will discover areas to cover in prayers that you may be overlooking Knowing what to pray for will greatly improve the effectiveness of your prayers and prayer life Whether you are seeking to achieve better results in business finances academics marriage raising children or some other area the lessons in this book will help you fulfill your destiny Find out how to stop the enemy who wants to stop you so the enemy dies instead of you protect your life and the future of your family deliver yourself from demons and satanic oppressions live the fruitful life that God intended for you Don't allow yourself or family members to suffer because you don't know how to pray Rise above enemies and gather strength from the Lord with the action steps and insights in Secrets to Receiving Uncommon Breakthroughs **Emmaus Bible Resources Christ Our Life** David Day, 2003 The letter to the Colossians was written to a church dominated by powerful forces and alternative spiritualities It is thus remarkably relevant to our day Paul's theme is no less relevant Christ will have first place in everything David Day's book encourages us to consider how to give Christ preeminence in every area of our lives both personal and corporate The Emmaus Bible Resources series offers readers the opportunity to dig deeper into the Bible and grow in Christian life faith and service Finding a middle ground between daily Bible notes and weighty commentaries the series contains versatile material designed for use by individuals small groups or as part of a sermon series *His Private Counsel* Sandra Belton, 2021-05-13 *His Private Counsel* Encouragement for the Spirit is a collection of poems with a corresponding devotion The poems and devotions are uplifting for various times in your life God is love When we go through difficult experiences it is so easy to question if God loves us He created His Word to be that guidance to overcome these challenges His Word also expresses how much He really loves us He wants the best for His children just as we identify with wanting the best for the children we love in our lives No matter what we are facing He is still there and He still loves us dearly May the writings and scriptures remind you that you are loved by God how special you are

and how you are able to overcome and rise to victory It s a book that can be a blessing to you and to others as a gift of encouragement **The Secret Disciple** Mark Penderghast,2019-04-18 There met him out of the tombs a man with an unclean spirit who lived among the tombs and no one could bind him anymore even with a chain And Jesus asked him What is your name He replied My name is Legion for we are many Mark 5 29 The Secret Disciple offers a riveting and plausible alternative version of the advent of Christianity based on a close reading of the gospels This religious mystery story comes to the startling conclusion that the risen Jesus was in fact Legion Jeremiah the secret disciple If you are among those who have always questioned the story of the resurrection or wondered about the family of Jesus this book is for you WHAT OTHERS ARE SAYING The Secret Disciple retells the Christ story in beautiful language demystifying the resurrection miracle and envisaging Jesus as a true prophet of his times whose demon haunted follower Jeremiah becomes his most devoted disciple with startling consequences Readers also meet narrator Mary Magdalene thick headed Simon Peter and James the younger brother of Jesus A magnificent and fascinating read Bill Schubart author The Priest **That Unknown Country**, 1888

The Hidden Life Adolph Saphir,1877 Adolph Saphir s classic meditation on chapter four verse eight of the Book of James is treasured for its poignant spiritual assessment of the New Testament Draw near to God and he will draw near to you is the message at the heart of The Hidden Life For the author these words summarize most perfectly the exactness of God s message through the New Testament With this as his basis Adolph Saphir proceeds to discuss how to live with the Holy Trinity in mind Yet his contemplations are rich in their variety he visits such topics as Eastern mysticism found in religions of India and Islam the discussions between God and Biblical figures such as Nicodemus and the message brought by Christ to humankind The meditations herein are supported by references to chapters of the New Testament together with a variety of quotations from spiritual authors of antiquity and early modern times Though his inquiry is winding with touches of eclecticism Saphir never loses sight of the objective growing closer to the spiritual essence of the Lord and Jesus Christ The Saphir family converted from Judaism to Christianity when Adolph was a child Intellectually apt Adolph gained a Master s degree from Glasgow University and went on to serve as a minister and missionary of some renown in the 19th century Glasgow University made him an honorary Doctor of Divinity in 1878 *That Unknown Country* Lyman Abbott,1888
