**Carbon Detox** George Marshall, 2007-10-30

Reduce your carbon footprint from day 1. Carbon Detox explains the changes each of us can make at home, at work, and in every aspect of our lives. From summer heat waves to rising sea levels, climate change affects us all. The main cause is carbon dioxide, and our carbon emissions are growing year by year at a frightening rate. However, there is hope. The changes we

make now can slow the effects of climate change and preserve the planet for future generations. George Marshall shows you how to carbon audit your life and start reducing your impact today. He also explains how to overcome psychological blocks

such as scepticism, fear, and feelings of insignificance. This book includes advice on low carbon transport options and holidays, and how to create an energy efficient home. With the help of Carbon Detox, you will be able to make real differences from day 1. The author's charity will provide extensive cross promotional support, including talks and workshop events. This is the first book to show how the ordinary non-greenie can make realistic and meaningful changes. It is written by an expert author who

lives in a low carbon home. It features carbon calculators for the home, transport, and food.
