Metafiction Inger Christensen, 1981 In 20th century literature a kind of fiction has come much to the fore where the narrator discusses his own craft and frequently addresses the reader However Laurence Sterne's *Tristram Shandy* may serve as a striking example of the fact that metafiction is no modern phenomenon Metafiction has been criticized for solipsism and

regarded as a final proof of the novel no longer novel Discussing works of three contemporary novelists Nabokov Barth and Beckett and Sterne s eighteenth century novel the author argues that with their tricks parodies and humour humor the metafictionists are concerned with a central human problem communication Should literature entertain come up with ideas about the meaning of existence or give the reader a purely aesthetic experience The four novelists examined in this study give different and rather exciting answers to these questions and to the problem of bringing their intentions across to the reader Book cover **Kirkus Reviews** ,1985 Adult books are categorized by genre i e fiction mystery science fiction nonfiction Along with bibliographic information the expected date of publication and the names of literary agents for individual titles are provided Starred reviews serve several functions In the adult section they mark potential bestsellers major promotions book club selections and just very good books in the children s section they denote books of very high quality The unsigned reviews manage to be discerning and sometimes quite critical **Science Fiction and Fantasy Book Review Index** ,1984 Science Fiction Book Review Index H.
