

James Burnham

Introduction by Sidney Hook

The Machiavellians: Defenders of Freedom

A defense of political truth
against wishful thinking

Read by Jeff Riggensbach

The Machiavellians Library Edition

S Ben Porath

The Machiavellians Library Edition:

Psychology Library Editions: Social Psychology Various, 2021-07-09 Psychology Library Editions Social Psychology 30 volume set brings together an eclectic mix of titles from a wealth of authors with diverse backgrounds seeking to understand human behaviour and interaction from a socio psychological perspective The series of previously out of print titles originally published between 1908 and 1993 includes those from some authors considered to be founders of social psychology and traces the development of the subject from its early foundations

Routledge Library Editions: Historiography

Various, 2021-06-23 The greatest problem in historical scholarship theoretically and practically is the relation between historians and their subject matter The past is gone and historians can only study its remnants On what basis do scholars select certain facts from the mass of data left from the past How do they explain the interrelationship of the facts they select What criteria do they use to evaluate their subject The 35 volumes in this set originally published between 1926 and 1990 discuss and answer these essential questions faced by historians The development of historical understanding during the 18th and 19th centuries was one of the most striking features of Western culture Both historiography and historical thinking advanced as never before The historical movement of the 19th century was perhaps second only to the scientific revolution of the seventeenth century in transforming Western thought One consequence was extensive organisation and professionalization of research which the volumes in this set reflect

Routledge Library Editions: The Labour Movement

Various, 2021-07-28 This set of 44 volumes originally published between 1924 and 1995 amalgamates a wide breadth of research on the Labour Movement including labour union history the early stages and development of the Labour Party and studies on the working classes This collection of books from some of the leading scholars in the field provides a comprehensive overview of the subject how it has evolved over time and will be of particular interest to students of political history

Routledge Library Editions: Study of Shakespeare Various, 2021-11-01 This 14 volume set contains titles originally published between 1926 and 1992 An eclectic mix this collection examines Shakespeare's work from a number of different perspectives looking at history language performance and more it includes references to many of his plays as well as his sonnets

Routledge Library Editions: The History of Economic Thought Various Authors, 2022-07-30 The volumes in this set originally published between 1925 and 1990 draw together research by leading academics in the area of the history of economic thought The volumes encompass many different schools of economic thought with a focus on individual economic thinkers such as Friedrich Hayek Adam Smith and Piero Sraffa This set will be of interest to students of economics particularly students of the history of economic thought

Routledge Library Editions: Higher Education

Various, 2021-03-29 The volumes in this set originally published between 1964 and 2002 draw together research by leading academics in the area of higher education and provide a rigorous examination of related key issues The volume examines the concepts of learning teaching student experience and administration in relation to the higher education through the areas of

business sociology education reforms government educational policy business and religion whilst also exploring the general principles and practices of higher education in various countries This set will be of particular interest to students and practitioners of education politics and sociology

The Machiavellians, Defenders of Freedom James Burnham,1970 This classic work of political theory and practice offers an account of the modern Machiavellians a remarkable group who have been influential in Europe and practically unknown in the United States The book devotes a long section to Machiavelli himself as well as to such modern Machiavellians as Gaetano Mosca Georges Sorel Robert Michels and Vilfredo Pareto Burnham contends that the writings of these men hold the key both to the truth about politics and to the preservation of political liberty

The Machiavellian Moment John Greville Agard Pocock,2016-09-20 Originally published in 1975 The Machiavellian Moment remains a landmark of historical and political thought Celebrated historian J G A Pocock looks at the consequences for modern historical and social consciousness arising from the ideal of the classical republic revived by Machiavelli and other thinkers of Renaissance Italy Pocock shows that Machiavelli's prime emphasis was on the moment in which the republic confronts the problem of its own instability in time which Pocock calls the Machiavellian moment After examining this problem in the works of Machiavelli Guicciardini and Giannotti Pocock turns to the revival of republican ideology in Puritan England and in Revolutionary and Federalist America He argues that the American Revolution can be considered the last great act of civic humanism of the Renaissance and he relates the origins of modern historicism to the clash between civic Christian and commercial values in eighteenth century thought This Princeton Classics edition of The Machiavellian Moment features a new introduction by Richard Whatmore

Routledge Library Editions: Women, Feminism and Literature Isobel Armstrong,2013-12-19 Reissuing seminal works originally published between 1979 and 1994 Routledge Library Editions Women Feminism and Literature offers a selection of scholarship from a time of great change in feminist studies and literary studies Topics cover all aspects of women's literature gender and feminism through literary criticism and the work of women literary theorists

Routledge Library Editions: Philosophy of Education Various Authors,2022-07-30 This set of 21 volumes originally published between 1955 and 1997 amalgamates several topics on the philosophy of education with a particular focus on religious education curriculum studies and critical thinking This collection of books from some of the leading scholars in the field provides a comprehensive overview of the subject and will be of particular interest to students of philosophy education and those undertaking teaching qualifications

Unveiling the Energy of Verbal Artistry: An Psychological Sojourn through **The Machiavellians Library Edition**

In some sort of inundated with monitors and the cacophony of quick transmission, the profound energy and psychological resonance of verbal beauty often fade in to obscurity, eclipsed by the regular onslaught of sound and distractions. Yet, located within the lyrical pages of **The Machiavellians Library Edition**, a charming work of literary beauty that pulses with raw emotions, lies an memorable journey waiting to be embarked upon. Published with a virtuoso wordsmith, this magical opus instructions viewers on an emotional odyssey, softly revealing the latent potential and profound influence embedded within the elaborate internet of language. Within the heart-wrenching expanse of the evocative analysis, we shall embark upon an introspective exploration of the book is central styles, dissect their fascinating writing style, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
